Stopping Inflammation Relieving The Cause Of Degenerative Diseases:

Silent Inflammation Dr Bruce Miller,2016-06-02 What do unrelated diseases such as heart disease cancer diabetes Alzheimer s Parkinson s obesity asthma depression premature aging and an army of diseases ending in the suffix itis such as gastritis sinusitis arthritis have in common The buzz word called inflammation Inflammation may well turn out to be the exclusive Holy Grail of medicine the single phenomenon that holds the key to sickness and health firmly says William Joel Meggs author of The Inflammation Cure Silent inflammation falls just below the radar of pain and visible swelling It is akin to life under the volcano Even though you are feeling well and on top of the world right now odds are that silent inflammation can be simmering in your body Like a slow poison silent inflammation can gradually destroy your body organs and tissues without you feeling it until a chronic disease surfaces in the form of diabetes heart disease or even cancer that may prove fatal I challenge you today to make a decision to decrease silent inflammation in your body if you want to move towards wellness as every pain every chronic disease in your body and every pound of weight gained revolves around silent inflammation Control it and you will feel better look better think better and perform better That is what this book is about

Back Surgery Edwin Haronian,2013-07-02 With all the misleading information out there on back problems even doctors have conflicting views on the best treatments But it is the decision you make that counts The problem has always been finding the facts necessary to make a wise choice or it was until now Dr Edwin Haronian has put together a guide that looks at both the conditions and the procedures surgical and nonsurgical and answers common questions about back problems Back Surgery begins by examining the anatomy of the back It then discusses common conditions that result in pain and the latest and most effective treatments available from acupuncture to medication to surgery Included are pre op and post op suggestions as well as a program designed to prevent future back problems Here are all the facts you need to make the choice that s best for you *Using the Bowen Technique to Address Complex and Common Conditions* John Wilks,Isobel Knight,2014-08-21 This book shows how the Bowen technique can be used to treat different conditions including lower back pain frozen shoulder tennis elbow and carpal tunnel hayfever asthma diabetes type 2 migraines stress and tension disorders fibromyalgia and chronic fatigue as well as in palliative care and performance enhancement in sport and dance [What You Must Know About Memory Loss and How You Can Stop It](#) Pamela Wartian Smith,2014-01-07 Leave it to one of America s best selling physician authors to tackle one of the country s fastest growing health concerns With over 77 million baby boomers living in the U S memory loss is quickly becoming a major issue Although the common belief is that these irritating lapses in the ability to remember are a normal part of aging current scientific research indicates otherwise In fact there are a number of reasons these lapses can occur The good news is that once we understand why we can actually restore and even strengthen our mental acuity In her new book What You Must Know About Memory Loss and How You Can Stop It Dr Pamela Wartian Smith explains why we forget things and what we can do to not only reverse the problem but also enhance our

ability to focus concentrate and comprehend Dr Smith begins by discussing why it is important not to simply accept memory loss as a normal part of aging She then presents an in depth look at the most common causes of these lapses in memory nutritional deficiencies hormonal imbalances toxic overload poor blood circulation and lack of physical and mental exercise She begins each section with a questionnaire to determine if the test taker s memory may be affected by that particular cause The author then details how that cause is involved in impaired memory as well as a host of other mental issues ranging from insomnia to personality changes Dr Smith follows each discussion with a list of proven remedies to correct each issue Also included in the book is a special section on recognizing and dealing with severe memory loss While the pharmaceutical companies continue to look for that one magic bullet to reverse memory loss the fact is that there are numerous scientifically valid treatments available to address this growing concern Dr Smith empowers her readers to avoid an unnecessary part of aging by offering simple and effective solutions

The Better Bladder Book Wendy L. Cohan, 2011-02-15 Bladder problems affect millions of people yet few are comfortable publicly or openly discussing their symptoms making it difficult for patients with bladder disorders to obtain the support and resources they need Those who ve been diagnosed with interstitial cystitis IC or chronic pelvic pain are often told that there is no cure for their ailments Indeed standard treatments used with these conditions are not always effective or lasting As a result many people with bladder problems are looking for comprehensive information and alternative options for recovery Wendy Cohan wrote The Better Bladder Book to give people who suffer from bladder problems more options She guides readers to bladder wellness by emphasizing lifestyle changes and self treatment A week by week approach begins with an understanding of the diagnosis leads to discovering the factors that cause or exacerbate symptoms and ends with implementing the changes needed to reduce symptoms and recover bladder health Cohan introduces the book with a description of the anatomy and function of the urological system and the assessment diagnosis and treatment of typical bladder problems She explains how diet affects the bladder including the role of food sensitivities allergies and intolerance She creates handy lists of healthful and harmful foods and offers a selection of diets to try especially allergy elimination gluten free and anti inflammatory diets Optional weekly meal plans are included Like all aspects of health bladder health is improved by daily exercise good rest and a reduction of stress Cohan describes the benefits of regular exercise on bladder symptoms its role in stress and pain reduction boosting the immune system controlling inflammation and alleviating depression Stress reduction techniques are also emphasized Finally Cohan supplies tips for a better night s sleep including practicing good sleep hygiene additional relaxation exercises and the use of calming herbal teas Cohan s goal is to leave no stone unturned in the quest for bladder health With the diet exercise sleep and relaxation techniques described in the book the thorough description of medical treatments and procedures and the question and answer section and other resources readers should have all the information they need to start their own journey toward better bladder health

Mineral Miracle Shari Lieberman, Alan Xenakis, 2014-02-05 For years scientists have understood

that inflammation causes pain Only recently however has the process of inflammation been linked to the deterioration of tissue bone and cartilage and recognized as an underlying cause of heart attack And while the importance of minerals has been documented for years it is only now that a naturally occurring blend of minerals has been found to act as a powerful anti inflammatory that can stop or slow cartilage loss For those looking for a simpler solution to a real problem Mineral Miracle may hold the answer
