*The Child in the Midst* Mary Schauffler Platt, 2019-12-06 In *The Child in the Midst* Mary Schauffler Platt explores the intricate tapestry of childhood through a lens that blends poetic narrative with psychological insight. The book invites readers to traverse the poignant landscape of child development, addressing the interplay between innocence and the complexities of the adult world. Platt's literary style, characterized by lyrical prose and vivid imagery, resonates deeply within the psychological fiction genre while also engaging with contemporary themes of familial relationships and societal expectations, situating the work within a vital literary context that remains relevant today. Mary Schauffler Platt, a noted scholar and passionate advocate for child welfare, draws on her background in sociology and education to craft a narrative that is both informed and empathetic. Her experiences as a children's rights activist, coupled with her keen observations in the classroom, have undeniably influenced her writing. Platt's commitment to illuminating the often overlooked struggles of children serves as a powerful motivator behind *The Child in the Midst*, making her an authentic voice for young protagonists navigating their tumultuous journeys. This book is highly recommended for anyone interested in understanding the profound implications of childhood experiences on adult life. Readers familiar with the challenges faced by children in today's society will find Platt's insights compelling and relatable, making this a necessary addition to both literary and educational collections. Stopped Play Charlie Connelly, 2014-03-13 There are few parts of Wisden Cricketers Almanack that embody the magic and appeal of the game more than Cricket Round the World. *Elk Stopped Play* is a carefully chosen selection of stories from twenty years of one of Wisden's most loved sections. Combining the highlights of two decades of the Almanack's coverage of the game's further reaches, as well as original material that places the stories in context and expands upon the incidents and personalities involved, it is an original and eccentric examination of the sport's enduring worldwide appeal. There are extraordinary matches, great individual performances, stories of exceptional pioneering dedication, and quirky incidents from all over the world, from games staged on tiny far-flung Pacific islands to the frozen wastes of the Antarctic, from cricketers dodging mortars in Baghdad to Indonesian mud wickets on converted buffalo paddocks, via fractured French skulls, Antarctic barbecues, and untimely interruptions by Finnish elk. The perfect book to dip into either during the cricket season or during the long wait for the end of April to come round again. *Elk Stopped Play* is a fantastic addition to the Wisden bookshelf.

**Mojisola Adebayo: Plays One** Mojisola Adebayo, 2011-12-01 Includes the plays *Moj of the Antarctic*, *Desert Boy*, *Matt Henson*, *North Star*, and *Muhammad Ali and Me*. This collection signals the emergence of a distinctive new voice on the British theatre landscape. *Moj of the Antarctic* is inspired by the true story of an African American woman who cross-dresses as a white man to escape slavery, taken on a fantastical odyssey to Antarctica. Time Out Critics Choice. The language is rich and densely poetic. Reveling in the materiality and playfulness of words, cracking open complex ideas like eggshells. Total Theatre Magazine. *Muhammad Ali and Me* is a lyrical coming-of-age story following the parallel struggles of a gay girl child growing

up in foster care and the black Muslim boxing hero's fight against racism and the Vietnam war As a piece of stagecraft an entertaining kaleidoscope of social and political history only one description will do this is a play that floats like a butterfly and stings like a bee

**WHAT Did You Say Stopped Play?** Matthew Engel, 2018-10-04 Among the mysteries of cricket is the fact that of all games it acts as a magnet for amazing eccentric humorous and downright weird happenings For the past quarter century the Chronicle section of Wisden has been collecting news of cricket's strangest goings on This is just a selection It's normal for rain to stop play in cricket But that's not all flying objects passing dictators animals of all kinds including a very improbable tiger they have all had the same effect But even when the game keeps going cricket is a magnet for the weird and wonderful For the past quarter century the Chronicle section of Wisden has been collecting the most remarkable events in the game the eccentric the extraordinary and the excruciatingly funny This is the cricket that reference books would normally ignore from the village greens of England to the back alleys of Asia This selection is about Tendulkar worshippers and angry neighbours about scoring a thousand and being all out for nought There are politicians and protesters celebs and streakers judges and jobsworths and batsmen who really do murder the bowlers
