Outhouse, 2022-04-29 Citizens of small town Folbee Nebraska find themselves under the thumb of mega entrepreneur Richard Kilroy a man of money who appeared one day and seemed to have Folbee in his pocket the next Among the unhappy residents are single mother Chelsie Davenport and her six year old daughter Rosie The remnants of the McCormick family and Dirk Korner's fresh widow Then one day miracle of miracles The McCormick's eldest and sole remaining son makes an unexpected return from his 15 year Army tenure The McCormick's house is slowly falling apart while Chelsie fights off the unwanted attentions of Sheriff Brock Carter and Widow Korner becomes more and more suspicious that her husband was not attacked by wild wolves Chris McCormick the once town hero is aghast to find his home in such a state of decay intrigued by the beautiful if not off putting Chelsie Davenport and determined to restore Folbee to its former glory But will the fight be worth the cost and who will pay the gravedigger *Better Homes for Negro Farm Families* United States. Office of Education. Agricultural Education Service, 1947 *War on the Homefront* Shawn D. Haley, Ellie Braun-Haley, 2001-02 About half of the women in the United States and Canada have been physically or sexually assaulted after the age of 16 The figures in other countries are similar Written by an outsider an anthropologist and an insider a spousal abuse survivor this book offers a humanistic rather than statistical overview of the problem of spousal abuse It is based on an extensive set of interviews with abused women and individuals who seek to help them shelter workers police officers marriage counselors More particularly it follows four women as they move through the steps they must follow to extricate themselves from an abusive relationship and then get on with their lives The reader witnesses their success and failures as they face a task that is both necessary and daunting and the effects that spousal abuse and attempts stopping the abuse have on an ever widening circle of people This book illustrates how society in general and individuals and organizations in particular help and

hinder the process of extrication often at the same time By analyzing the solutions and their implications that have been offered to and by the abused women the authors arrive at a set of alternative solutions that could significantly reduce the incidence of spouse abuse in the future **War Progress** United States. bravery and dedication of the emergency services and other dedicated professionals who just put on their tin hats and worked on. Consigned to the memory banks for nearly seven decades these stirring remembrances reveal the wealth of ingenuity and invention and the passionate bulldog spirit that kept our hopes alive during our darkest hours the author also touching on the less heroic aspects of the period

David Schenck and the Contours of Confederate Identity Rodney Steward, 2012-05-15 A mid level Confederate official and lawyer in secessionist North Carolina David Schenck 1835-1902 penned extensive diaries that have long been a wellspring of information for historians In the midst of the secession crisis Schenck overcame long established social barriers and reshaped antebellum notions of manhood religion and respectability into the image of a Confederate nationalist He helped found the revolutionary States Rights Party and relentlessly pursued his vision of an idealized Southern society even after the collapse of the Confederacy In the first biography of this complicated figure Rodney Steward opens a window into the heart and soul of the Confederate South's burgeoning professional middle class and reveals the complex set of desires aspirations and motivations that inspired men like Schenck to cast for themselves a Confederate identity that would endure the trials of war the hardship of Reconstruction and the birth of a New South After secession Schenck remained on the home front as a receiver under the Act of Sequestration enriching himself on the confiscated property of those he accused of disloyalty After the war his position as a leader in the Ku Klux Klan and his resistance to Radical Reconstruction policies won him a seat on the superior court bench but scathing newspaper articles about his past upended a bid for chief justice of the North Carolina Supreme Court a compelling fall from grace that reveals much about the shifting currents in North Carolina society and politics in the years after Reconstruction During the last twenty years of his life spent in Greensboro Schenck created the Guilford Battleground Company in an effort to redeem the honor of the Tar Heels who fought there and his own honor as well Schenck's life story provides a powerful new lens to examine and challenge widely held interpretations of secessionists Confederate identity Civil War economics and home front policies Far more than a standard biography this compelling volume challenges the historiography of the Confederacy at many levels and offers a sophisticated analysis of the evolution of a Confederate identity over a half century Rodney Steward is an assistant professor of history at the University of South Carolina Salkehatchie His works have appeared in the Virginia Magazine of History and Biography Encyclopedia of North Carolina and North Carolina Historical Review
