Storia Della Politica Estera Sovietica:

Storia della politica estera sovietica (1917-1967), 1973 Italian-Soviet Relations from 1943-1946 Francesco Randazzo, 2019-11-18 In the midst of the Second World War the government of Benito Mussolini collapsed This dictator had for a decade held Italy in a dangerous alliance with Nazi Germany On September 3rd 1943 in Cassibile Sicily the Italian General Castellano and the American General Eisenhower signed a Treaty in which they illustrated the very harsh conditions of Italy's surrender and its passage alongside the Allies The vicissitudes of this period led first to the imprisonment of Mussolini and then to his daring liberation by the Nazis On Italian territory two governments that of General Badoglio and that of the Republic of Sal led by Mussolini's party faced each other while the Allies landed in Sicily and Anzio In Lazio the Allies began their action against the Nazi Fascists who were retreating towards the north of the peninsula In the meantime relations between Italy and the Soviet Union resumed and in 1944 Pietro Quaroni the first ambassador after the diplomatic break up of 1940 was sent to Moscow The book through Italian diplomatic documents reconstructs this delicate historical moment in Italo Soviet relations in the final act of the Second World War **The Global Revolution** Silvio Pons, 2014-08-28 The Global Revolution A History of International Communism 1917 1991 establishes a relationship between the history of communism and the main processes of globalization in the past century Drawing on a wealth of archival sources Silvio Pons analyses the multifaceted and contradictory relationship between the Soviet Union and the international communist movement to show how communism played a major part in the formation of our modern world The volume presents the argument that during the age of wars from 1914 to 1945 the establishment of the Soviet state in Russia and the birth of the communist movement had an enormous impact because of their promise of world revolution and international civil war Such perspective appeared even more plausible in the aftermath of the Second World War and of revolution in China which paved the way for the expansion of communism in the post colonial world Communism challenged the West in the Cold War by means of anti capitalist modernization and anti imperialist mobilization showing itself to be a powerful factor in the politicization of global trends However the international legitimacy of communism declined rapidly in the post war era Soviet power exposed its inability to exercise hegemony as distinct from domination The consequences of Sovietization in Europe and the break between the Soviet Union and China were the primary reasons for the decline of communist influence and appeal Since communism lost its political credibility and cultural cohesion its global project had failed The ground was prepared for the devastating impact of Western globalization on communist regimes in Europe and the Soviet Union

Storia della Russia nel Novecento Nicolas Werth, 2023-06-27T00:00:00+02:00 L apprezzato storico francese Nicolas Werth scrive una fondamentale opera dedicata alla storia del Novecento russo Oltre al problema del totalitarismo l'autore affronta i rapporti della società sovietica cercando di liberare la sua analisi dai rigidi schemi delle ideologie che spesso hanno ingabbiato molti studi sull'URSS e quindi indaga anche quegli aspetti che vanno al di là del mero potere politico e dei suoi

strumenti Lungo un secolo drammatico e complesso Werth colloca l'inizio della narrazione non alla Rivoluzione d'Ottobre ma prima agli albori del Novecento al crepuscolo della dominazione zarista guidando il lettore in un percorso che ha visto la grande potenza sovietica poggiata apparentemente su una costruzione monolitica e fossilizzata superare rivoluzioni guerre mondiali sviluppo sociale e carestie per poi frantumarsi rapidamente dall'interno con il collasso del suo sistema Zarstvo and Communism Francesco Randazzo, 2019-01-29 The First World War brought with it enormous ideological political and social problems In Russia as in Italy the repercussions of the war were soon felt and the two countries saw the birth of oppositional movements within them In Russia these movements grasped power thanks to a Bolshevik coup while in Italy Mussolini founded the Fasci di combattimento a real militia ready to ride the popular discontent with the mutilated victory specifically the dissatisfaction with territories promised by the Treaty of London and not granted to Italy Relations between these two countries were interrupted for several years and were resumed only when both realized that the economic advantages that could result from resuming relations would be far more beneficial than continuing their ideological confrontation However mutual distrust never stopped and rendered bilateral relations increasingly tenuous until they were definitely severed in the early years of the Second World War *Italy, Yugoslavia, and the Controversy over the Adriatic Region, 1915-1920* Stefano Bianchini, 2024-08-16 This book explores the path that led to the Treaty of Rapallo 1920 between Italy and the new Kingdom of the Serbs Croats and Slovenes later the Kingdom of Yugoslavia in the aftermath of the First World War when the territories of the former Austro Hungarian Empire were allotted to new and existing states with regard as far as possible to the nationalities of the people living in the various territories in addition to the future of Montenegro and Albania Based on vast archival documentation and published sources the contributors to this book discuss the nature of the disputes which arose in the Adriatic area often as the result of the inhabitants of the different territories being of several nationalities and examine how the disputes were concluded The book charts the disappointments of both Italians and Yugoslavs the Italians disappointed that the terms of the Treaty of London of 1915 which promised Dalmatia to Italy in return for Italy entering the war against the Austro Hungarian Empire were not fulfilled The Yugoslavs were disappointed losing territories containing large Yugoslav populations The volume considers public opinion the words positions and actions of leading politicians and the continuing consequences of the settlement many of them adverse consequences for particular cities and localities Presenting a comprehensive approach to the Adriatic controversy this book will be of interest to those studying European history of international relations diplomatic negotiations and nationalism modern history Central Asian Eastern European and Russian Studies *Storia della politica estera sovietica* Adam Bruno Ulam, 1970 The Origins of the Cold War in Europe David Reynolds, 1994-01-01 Although the Cold War is over the writing of its history has only just begun This book presents an analysis of the origins of the Cold War in the decade after the Second World War discussing the development of the United States and the Soviet Union as superpowers and the reactions of the Western European states to

the growing Soviet American rivalry Drawing on recently opened archives from the former Soviet Union as well as on existing research largely unavailable in English distinguished authorities from each of the countries discussed provide new insight into the Cold War and into the Europe that has been molded by it The book begins with an overview of United States Cold War policy after the war and a pioneering post communist examination of Russian involvement The next chapters focus on the other two members of the wartime alliance Britain and France for which the Cold War was interwoven with concerns such as the maintenance of empire and the continued fear of Germany The book then examines the vanquished countries of World War II Italy and Germany who particularly in the case of divided Germany were struggling to recover their international status and come to terms with their past The last part of the book considers how the small states Benelux and Scandinavia forged new groupings in the search for security even though conflicts of national interest still persisted between them The authors not only show the impact of superpower policies on each country but also reveal the many ways in which West European states were active participants in Cold War politics trying to draw the Americans into Europe and shaping the blocs that emerged The book sheds light on the European Community in many ways a response to uneasiness about Germany and on NATO whose purpose was once described as keeping the Russians out the Americans in and the Germans down

Italy and the Middle East Paolo Soave, Luciano Monzali, 2020-12-10 Italy played a vital role in the Cold War dynamics that shaped the Middle East in the latter part of the 20th century It was a junior partner in the strategic plans of NATO and warmly appreciated by some Arab countries for its regional approach But Italian foreign policy towards the Middle East balanced between promoting dialogue stability and cooperation on one hand and colluding with global superpower manoeuvres to exploit existing tensions and achieve local influence on the other Italy and the Middle East brings together a range of experts on Italian international relations to analyse for the first time in English the country's Cold War relationship with the Middle East Chapters covering a wide range of defining twentieth century events from the Arab Israeli conflict and the Lebanese Civil War to the Iranian Revolution and the Soviet invasion of Afghanistan demonstrate the nuances of Italian foreign policy in dealing with the complexity of Middle Eastern relations The collection demonstrates the interaction of local and global issues in shaping Italy's international relations with the Middle East making it essential reading to students of the Cold War regional interactions and the international relations of Italy and the Middle East [Rivista Processi storici e politiche di pace n. 2](#) 2006 Alfredo Breccia, 2007-01-01 In questo numero PROBLEMI E RIFLESSIONI L'Italia e le sfide della pace quali le scelte di politica estera Intervista al Ministro degli Affari Esteri Massimo D'Alema a cura di Alfredo Breccia Il futuro dell'Europa Josep Borrell Fontelles Gli accordi umanitari nel superamento del conflitto armato in Colombia Paolo Benvenuti STUDI E RICERCHE L'Italia e la crisi ungherese del 1956 Lucio Barbetta L'inserimento dell'Italia nel processo di distensione Est Ovest la visita di Grigorij Javlinskij a Mosca nel 1990 Evelina Martelli What is the state of the State in Tajikistan An Analysis of Local Governance in Rural Areas Gunda Wiegmann Giustizia e riconciliazione in Argentina un'esperienza di
