# STORIES ON STREETS

BRYAN DEMCHINSKY AND ELAINE KALMAN NAVES

I may drive into the poor neighborhoods that spread west from the downtown. Made narrow by winter, the streets were lined by snowbound parked cars in igloos. Row houses were crammed together, with a gap between two- and three-story flats with crooked exterior staircases made of wrought-iron railings and worn wood steps against the sidewalks. Some entrances had been boarded by boards, others had been abandoned and the building mounds of snow were piled in different directions with time and ice, and windows were sealed by paper and old newspaper to keep draughts. At the end

of Urbain was one of five working-class ghetto streets between the Main and Park Avenue.

To a middle-class stranger, it was the first five streets could be so interchangeable. On each corner a store, a grocery, and a fruit store. Outside staircases everywhere. Windows, wooden ones, rusty and rickety ones. An endless repetition of...peeling balconies and waste making the occasional gap here and there. But, as we boys knew, this street between the Main and Park Avenue represented subtle differences in income. No two cold-water flats were alike and no two streets were the same either....

Of the five streets, St. Urbain

landscape both shaping and shaped by urban development but also as a sociocultural component of the life of the city In exploring the dynamics governing the relationship between Montrealers and their environment this unique study considers the role of water in the production and transformation of urban space over two centuries It traces the history of urbanization and shines a light on current concerns about water pollution river rehabilitation and renewed public access to the riverfront and the power relations involved in addressing those concerns

**Canadian Books in Print 2002** Marian Butler, 2002-02 *Canadian Periodical Index*, 2000 **Neither Here Nor There** Christopher Bolander, 2009-10 From the beginning Montreal has played a significant role in French writing of North America While it is relatively easy to find novels to support the idea of Montreal as the center of the French Canadian universe a more interesting challenge has been to examine the ways in which writers avoid the city sometimes even effacing a character's and perhaps their own Montreal in the process In this book I examine the various roles of Montreal agent setting allegory theme character trope in a wide range of novels and short stories I reveal how Montreal's topography serves to offset the notion of a uniform citizenry while simultaneously reinforcing class differences I also reject the traditional rural urban rivalry by examining texts that draw attention to a failed romanticized view of rurality yet highlight the fact that Montreal's urban egocentrism can be considered no less an idealized view of society Perhaps the most valuable inquiry into the literature of Montreal found in the book is the subversion of the monolithic and homogeneous image of the city by detailing individual particularities which reflect the diversity of Montreal's various neighborhoods Transmission et héritages de la littérature québécoise Karine Cellard, Martine-Emmanuelle Lapointe, 2012-02-02T00:00:00-05:00 La cohésion de la littérature québécoise semble aujourd'hui aller de soi Il s'agit pourtant d'un tissage mouvant et continu de liens avec le passé Ce livre en fait la démonstration selon trois perspectives contrastées mais complémentaires Dans une première partie on s'intéresse des phénomènes tels que la fabrication de l'histoire littéraire l'inclusion ou non des œuvres de langue anglaise ou des francophonies canadiennes La deuxième partie examine l'oubli sélectif de certaines œuvres comme les textes du XIX<sup>e</sup> siècle ceux d'auteurs dits mineurs ou encore de genres moins canoniques comme le théâtre La dernière partie présente les cas particuliers d'héritages littéraires représentés dans les œuvres elles-mêmes sous la forme de jeux intertextuels de mises en scène d'auteurs et de lecteurs ou de problèmes d'herméneutique littéraire Ces trois perspectives font ainsi ressortir les figures les lieux de m

**Condition: Literary Trajectories through Canada's Postmetropolis** Eva Darias-Beautell, 2019-06-04 Examining the centrality of the city in Canadian literary production post 1960 this collection of critical essays presents an interdisciplinary representation of the urban from a variety of backgrounds and perspectives By analysing contemporary Canadian literature in English the contributors intend to produce not only an alternative picture of the national literary traditions but also fresh articulations of the relationship between Canadian identity citizenship and nation Since the 1960s metropolitan regions across the world have experienced radical transformation For critical urban studies scholars this phenomenon has been described as a restructuring This study argues that in Canada this restructuring has been accompanied by a literary rearrangement of its canon consisting of a gradual shift of focus from the wild or rural to the urban Alluding to the changes within contemporary Canadian cities the term postmetropolis locates the contributors shared theoretical framework within a critical postmodern paradigm Centered on a particular selection of poetic or fictional texts each essay pushes the theoretical framework further suggesting the need for new tools of interpretation and analysis This book presents an urban literary portrait of Canada that is both thematically and conceptually coherent Using a range of interdisciplinary methodologies it adeptly navigates a range of urban issues such as surveillance asylum diaspora mobility the queer and the post political This book will be of interest to those studying or working on Canadian literature both in Canada and internationally as well as to those scholars engaged in investigations that intersect literature and urban studies Quill & Quire ,2004 **Montreal.** Jeremy Gray, 2001 This guide to Montreal covers the city s unique French English culture from grand churches to upscale neighbourhoods and multi ethnic enclaves It provides information on excursions to Quebec City the ski slopes of the Laurentians and the eastern townships
