The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of

American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present. At the core of the Encyclopedia lie 250 essays on poets, playwrights, essayists, and novelists. Figures such as Whitman, Melville, Faulkner, Frost, and Morrison are discussed in detail, with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works, and a list of major critical and biographical works about the writer. Fifty entries on major works such as *Moby Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach. The Encyclopedia also contains essays on literary movements, periods, and themes, pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography, and a system of cross references helps readers locate information with ease. The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature, libraries looking for one comprehensive source, and readers interested in American literature, its authors, and its connection with various areas of study.

A Companion to the American Short Story
Alfred Bendixen, James Nagel, 2020-08-24

A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries. Written by leading critics in the field and edited by two major scholars, it explores a wide range of writers from Edgar Allan Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway, William Faulkner, F. Scott Fitzgerald, and Richard Wright. Contributions with a broader focus address groups of multiethnic, Asian, and Jewish writers. Each chapter places the short story into context, focusing on the interaction of cultural forces and aesthetic principles. The Companion takes account of cutting-edge approaches to literary studies and contributes to the ongoing redefinition of the American canon, embracing genres such as ghost and detective fiction, cycles of interrelated short fiction, and comic, social, and political stories. The volume also reflects the diverse communities that have adopted this literary form and made it their own, featuring entries on a variety of feminist and multicultural traditions. This volume presents an important new consideration of the role of the short story in the literary history of American literature.

Conversations with Ellen Douglas Panthea Reid, 2000

So when I went down to ask my aunts if it would be all right to publish *A Family's Affairs*, they said it was okay so long as they didn't have to read it, and if I would use a pen name. This collection of interviews from three decades features one of the South's most prominent contemporary writers, one of America's most dazzling practitioners of postmodern fiction. From the early sixties, when she published the award-winning *A Family's Affairs*, to the late nineties and the publication of *Truth Four Stories*, *I Am Finally Old Enough to Tell*, Ellen Douglas has written novels, short stories, essays, and a book of fairy tales. These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration. In them, just as in her fiction, she expresses her love of people, language, and stories, her constant moral values, her inclusive compassion, her deeply

felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it s just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales* *Can t Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas s lasting body of powerful work It also provides the tools for the in depth studies of her art which are sure to follow So when I went down to ask my aunts if it would be all right to publish *A Family s Affairs* they said it was okay so long as they didn t have to read it and if I would use a pen name This collection of interviews from three decades features one of the South s most prominent contemporary writers one of America s most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family s Affairs* to the late nineties and the publication of *Truth* Four Stories *I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it s just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales* *Can t Quit You Baby* and

Truth her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas s lasting body of powerful work It also provides the tools for the in depth studies of her art which are sure to follow
