The Early History of God Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism

Stories of Origins in the Bible and Ancient Mediterranean Literature Guy Darshan, 2023-12-07 In this book Guy Darshan explores stories of origins that lie at the heart of Pentateuchal sources in the context of literature created in neighboring societies of the ancient Mediterranean world A comparative study his volume analyses the parallels between Biblical origin stories the narrative traditions arranged in genealogical sequence that recount the beginnings of humanity and origins of peoples in tandem with ancient Greek genealogical writings from the 7th-5th centuries BCE onwards He also considers Phoenician and Anatolian sources from the first millennium several of which have only been published in recent years This is the first scholarly study to trace the origins of this genre of narrative and the circumstances that led to appearances in the Hebrew Bible and ancient Mediterranean literature It sheds new light on our knowledge of the history of literature as well as the interconnections and

interrelations between civilizations of the pre Hellenistic eastern Mediterranean and Near East Stories of Ancient Peoples Emma Josephine Arnold,1901 **STORIES OF ANCIENT PEOPLES** ENNA J. ARNOLD,1901 **The Archaeology of Ancient Israelite Knowledge** Robert S. Kawashima,2022-07-05 The Archaeology of Ancient Israelite Knowledge reconstructs in carefully researched detail the worldview of the ancient Israelites writers responsible for the Hebrew Bible What was the role of God in their lives How did they see the relationship between God nature and themselves Contrary to prevailing scholarly understanding Robert Kawashima argues that the ancient Israelites saw God in a radically different way than the peoples around them God no longer interconnected everything humans nature but became seen as sharply separated from nature Elegantly written and powerfully argued The Archaeology of Ancient Israelite Knowledge is essential reading for anyone wanting to grasp the Hebrew Bible and the ancient world that gave rise to it

The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
