M. Dalton, 2014-08-14 The Boys Story is the second book in the Legend Series It is the story of one of the characters in the first book how he came to be where he was at the critical time Samuels father went to the border regions after the wars to rebuild Some years later Samuel is captured in a raid and taken away to a life of slavery Armed only with memories of a happy childhood buoyed only by the hope of finding his home again Samuel escapes and sets out on an apparently hopeless journey He passes through many landscapes and cultures He finds people are much the same and there are good and bad everywhere Yet the further he goes the more he is convinced that what they had back in his old home was fine and special and he will get it back or die trying He makes good friends along the way He may be tempted to stay more than once yet homesickness draws him on And if he gets back will he find his dream or not The Boys Story is about integrity honesty and respect and above all it is about being true to oneself Life is Tough But God Is Faithful Sheila Walsh, 1999-03-26 If God loves me why did my child die If life is supposed to be so wonderful why do I feel so bad If God hears my prayers why am I still single If God is in control of the world why is life so hard Sheila Walsh hears questions like these wherever she goes In her own life journey she has struggled with difficult questions and has found some answers Not easy pat answers but real life lived out in the flesh answers that can help you find meaning and purpose in spite of pain and suffering Life Is Tough but God Is Faithful offers encouraging insight into God's presence in the midst of our questions and struggles and highlights positive choices you can make no matter what your circumstances may be Life is tough but God is faithful has become Sheila's motto The Bible is full of stories of men and women who in the midst of the toughest situations of life discovered the faithfulness of God she says When our dreams go sour or seem unfulfilled we can choose to allow Satan to slither into our lives or we can choose to remember that God is faithful no matter how hopeless life gets Sheila looks at thirteen crucial turning points that can help you rediscover God's love and forgiveness Showing how the choices you make affect your life she offers insights from the book of Job from her own life and from the lives of people whose simple but determined faith helped them become shining lights in a dark world Where the River Bends Michael T. McRay, 2015-12-09 Myriad works discuss forgiveness but few address it in the prison context For most people prisoners exist out of sight and out of mind Their stories are often reduced to a few short lines in news articles at the time of arrest or conviction But what happened before in the lives of the convicted

What has happened after How have people in prison dealt with the harm they have caused and the harm they have suffered What does forgiveness mean to them What can we outsiders learn about the nature of forgiveness and prison from individuals who have both dealt and endured some of life's most painful experiences Expanding on his MPhil dissertation *Echoes from Exile with Distinction* from Trinity College Dublin Michael McRay's important new book brings the perspectives and stories of fourteen Tennessee prisoners into public awareness Weaving these narratives into a survey of forgiveness literature McRay offers a map of the forgiveness topography At once storytelling academic activism and cartography McRay's book is as necessary as it is accessible There is a whole demographic we have essentially ignored when it comes to conversations on forgiveness What would we learn if we listened
