Hollywood's Lost Backlot Steven Bingen, 2018-12-01 Hollywood is a transitory place Stars and studios rise and fall Genres and careers wax and wane Movies and movie moguls and movie makers and movie palaces are acclaimed and patronized and loved and beloved and then forgotten And yet And yet one place in Southern California built in the 1920s by allegedly murdered producer Thomas Ince acquired by Cecil B DeMille now occupied by Amazon com has been the home for hundreds of the most iconic and legendary films and television shows in the world for a remarkable and star studded fifty years This bizarre magical place was the location for Tara in Gone with The Wind the home of King Kong and Superman of Tarzan and Batman of the Green Hornet of Elliot Ness of Barney Fife of Tarzan of Rebecca of Citizen Kane of Hogan s Heroes and Gomer Pyle of Lasse of A Star is Born and Star Trek and at least twice of Jesus Christ For decades every conceivable star in Hollywood from Clark Gable to Warren Beatty worked and loved and gave indelible performances on the site And yet today it is completely forgotten Pretty much anyone alive today from college professors to longshoremen have probably heard of Paramount and of MGM of Warner Bros and of Universal and of Disney and Fox and Columbia but the place where many of these studio s beloved classics were minted is today as mysterious and unknowable as the sphinx

Hollywood s Lost Backlot 40 Acres of Glamour and Mystery will for the first time ever unwind the colorful and convoluted threads that make for the tale of one of the most influential and photographed places in the world A place which most have visited at least on screen and which has contributed significantly and unexpectedly to the world s popular culture and yet which few people today paradoxically have ever heard of

**Fighting for a Hand to Hold** Samir Shaheen-Hussain, 2020-09-23 Launched by healthcare providers in January 2018 the aHand2Hold campaign confronted the Quebec government s practice of separating children from their families during medical evacuation airlifts which disproportionately affected remote and northern Indigenous communities Pediatric emergency physician Samir Shaheen Hussain s captivating narrative of this successful campaign which garnered unprecedented public attention and media coverage seeks to answer lingering questions about why such a cruel practice remained in place for so long In doing so it serves as an indispensable case study of contemporary medical colonialism in Quebec Fighting for a Hand to Hold exposes the medical establishment s role in the displacement colonization and genocide of Indigenous peoples in Canada Through meticulously gathered government documentation historical scholarship media reports public inquiries and personal

testimonies Shaheen Hussain connects the draconian medevac practice with often disregarded crimes and medical violence inflicted specifically on Indigenous children This devastating history and ongoing medical colonialism prevent Indigenous communities from attaining internationally recognized measures of health and social well being because of the pervasive systemic anti Indigenous racism that persists in the Canadian public health care system and in settler society at large Shaheen Hussain s unique perspective combines his experience as a frontline pediatrician with his long standing involvement in anti authoritarian social justice movements Sparked by the indifference and callousness of those in power this book draws on the innovative work of Indigenous scholars and activists to conclude that a broader decolonization struggle calling for reparations land reclamation and self determination for Indigenous peoples is critical to achieve reconciliation in Canada
