**The 50 Greatest Explorers in History** Michelle Rosenberg,2022-04-21 This is a book about one of the first recorded pilgrims who climbed Mount Sinai; it's about Amelia Earhart, the famous American aviator whose story and disappearance continues to capture the world's imagination; it's the story of a doomed expedition to discover the North West Passage and the tale of Marco Polo who remained at the court of the Kublai Khan for an incredible 17 years. *The 50 Greatest Explorers in History* brings to life the pioneers in aviation flying thousands of miles with the most basic of maps in open cockpits exposed to the elements and the unrelenting smell of petrol fumes. They travel by steamboat, on horseback, by rickshaw, motorbike, train, swim with piranhas, embark into black nothingness in new spacecraft, explore by Jeep, yachts, tea boats, and elephants, disguise themselves as men, take canoes, and use innovative, advanced technological scuba equipment. Going where in many cases no man or woman had ever gone before, some women featured in this book were often denied respect, acknowledgment, or recognition, and they determined to break the men's club mentality of global exploration from which they were excluded.

**The Great Explorers** Matthew James,2016-06-21 From our modern perspective, it's difficult to imagine a time when the earth still contained mysteries and men headed out in wooden boats on journeys into the unknown. But that was not the case during the Age of Exploration. *The Great Explorers* tells the dramatic stories of the four men whose expeditions helped define this era: Bartolomeu Dias, Christopher Columbus, Vasco da Gama, and Ferdinand Magellan. They were demanding and imperfect leaders, single-minded in the pursuit of their goals. Their exploits on the high seas changed the course of civilization and helped create the modern world.      **The Great Explorers** Robin Hanbury-Tenison,2018-10-16 Penetrating biographies written by a group of distinguished travel writers, broadcasters, and historians reveal the lives
