The Stories of the Great Operas and Their Composers Ernest Newman, 1935 This work has a double object Every great opera has a two fold character the two component parts are supreme music and supreme romance The aim of this work is to tell the stories accompanied by a descriptive analysis of the music The point of view assumed is that of the ordinary music lover who though an ardent follower of opera has neither time nor opportunity nor aptitude to

study scores and musical history and biography for himself The main object has been to give such a person all the information he requires for a thorough understanding of what is going on in front of him on the stage *The Metropolitan Opera Guide to Recorded Opera* Paul Gruber,1993 A guide to recordings of operas Great Opera Stories: Translated from Old German Original Sources (1912) ,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work
