

## **SHORT LOVE STORY**

**A boy was dating a girl who always hurt him. One day, she broke up with him and told him, "I don't ever want to see you again."**

**A few months later, the girl had a change of heart. She realized that she loved the boy, so she went back and said to him, "Give me just one more chance. I love you and I need you. I promise that I will never hurt you again."**

**But the boy just laughed and said to her, "Only a fool would take back someone who hurt them so much."**

**The girl felt hopeless and began to cry, but the boy put his arms around her, held her tightly and said, "...and I am one of those fools."**

*Love Is a Story* Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashing incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out

**Modern American Short Story Sequences** J. Gerald Kennedy, 1995-01-27 Originally published in 1995, this book gathers together eleven full-length essays on important American short story sequences of the twentieth century. The introduction by J. Gerald Kennedy elucidates problems of defining the genre, cites notable instances of the form such as Sherwood Anderson's *Winesburg, Ohio*, and explores the implications of its modern emergence and popularity. Subsequent essays discuss illustrative works by such figures as Henry James, Jean Toomer, Ernest Hemingway, Richard Wright, William Faulkner, Eudora Welty, J. D. Salinger, John Cheever, John Updike, Louise Erdrich, and Raymond Carver. While examining distinctive thematic concerns, each essay also considers implications of form and arrangement in the construction of composite fictions that often produce the illusion of a fictive community.      A Daring Ride Andrew Grey, 2013-09-16 The Bullriders Book Two. And so are some of his rodeo friends like Dante and Ryan, and Jacky, a young man he wishes could have been more than a one-night stand. When Simon sets his sights on his dreams, he finds work with Dante and Ryan, and bumps into Jacky on the job. Jacky Douglas is a rodeo fanatic, plain and simple. He loves the ride, and he loves the cowboys. He fell hard for Frizz when they met, and there was a one-night stand made in heaven. When they meet again, Jacky thinks it's a stroke of luck. Frizz takes some convincing, but once he's on board, they begin a relationship. The fledgling romance faces a challenge when news of it travels all the way to the one place Frizz doesn't
