Stories Of The Sioux:

Stories of the Sioux Luther Standing Bear, 1988-01-01 Luther Standing Bear a Lakota Sioux born in the 1860s heard these legends in his youth when his people were being moved to reservations Haunting in mood and imagery they celebrate the old nomadic life of the Sioux when buffalo were plentiful and all nature fed the spirit The twenty stories honor not only the buffalo but also the dog horse eagle and wolf as workaday helpers and agents of divine intervention the wisdom of the medicine man and the heroism and resourcefulness of individual men and women Luther Standing Bear is the author of Land of the Spotted Eagle My People the Sioux and My Indian Boyhood also Bison Books **Sioux Legends Of The Lakota, Dakota, And Nakota Indians** G.W. Mullins, 2018-02-09 Native American Mythology began long before the European settlers arrived on North American soil Contrary to popular beliefs there is more to Native American Folklore than stories of buffalo hunts teepee living and animal stories Hundreds of tribes throughout North America created a huge mythological system that has rivaled that of the Greeks The Sioux Indians are no exception they have offered many enjoyable and educational legends of their people and beliefs Included in this anthology are a group of collected works from the Sioux a confederacy of several tribes that speak three different dialects the Lakota Dakota and Nakota The Sioux a proud people with a rich heritage have recorded a huge amount of their history through storytelling They were the masters of the North American plains and prairies In these stories you will relive their history and the lives of one of North America's First People The stories in this book have been handed down from generation to generation And in such tradition they are now handed down to you to share with the next generation Included in this collection are the stories The Story of the Lost Wife The Simpleton's Wisdom How the Fawn Got its Spots The Man Who Was Afraid of Nothing Two Ghostly Lovers How the Rabbit Lost His Tail A Bashful Courtship The Bound Children The Legend of Standing Rock The Boy and the Turtles Unktomi and the Arrowheads The Pet Donkey The Faithful Lovers The Story of the Peace Pipe The Rabbit and the Grouse Girls The Raccoon and the Crawfish The Legend of the White Horse Plain Myth of the White Buffalo Woman The Stone Boy The Legend of the Dream Catcher The Resuscitation of the only Daughter The Origin of the Prairie Rose A Little Brave and the Medicine Woman How the Crow came to be Black Wakinyan Tanka The Great Thunderbird Uncegilas Seventh Spot The Gift of Corn The Warlike Seven Iktomi and many others **Myths and Legends of the Sioux** Marie L. Brave Who Went on the Warpath Alone and Won the Name of the Lone Warrior The Sioux Who Married the Crow Chief's Daughter The Boy and the Turtles The Hermit or the Gift of Corn The Mysterious Butte The Wonderful Turtle The Man and the Oak Story of the Two Young Friends The Story of the Pet Crow The Wasna Pemmican Man and the Unktomi Spider The Resuscitation of the Only Daughter The Story of the Pet Crane White Plume Story of Pretty Feathered Forehead The Four Brothers or Inyanhoksila Stone Boy The Unktomi Spider Two Widows and the Red Plums Having been born and reared in an Indian community I at an early age acquired a thorough knowledge of the Sioux language and having lived on Indian reservations for the past forty years in a position which brought me very near to the Indians whose confidence I possessed I have therefore had exceptional opportunities of learning the legends and folk lore of the Sioux The stories contained in this little volume were told me by the older men and women of the Sioux of which I made careful notes as related knowing that if not recorded these fairy tales would be lost to posterity by the passing of the primitive Indian The notes of a song or a strain of music coming to us through the night not only give us pleasure by the melody they bring but also give us knowledge of the character of the singer or of the instrument from which they proceed There is something in the music which unerringly tells us of its source I believe musicians call it the timbre of the sound It is independent of and different from both pitch and rhythm it is the texture of the music itself The timbre of a people's stories tells of the qualities of that people's heart It is the texture of the thought independent of its form or fashioning which tells the quality of the mind from which it springs In the timbre of these stories of the Sioux told in the lodges and at the camp fires of the past and by the firesides of the Dakotas of today we recognize the very texture of the thought of a simple grave and sincere people living in intimate contact and friendship with the big out of doors that we call Nature a race not yet understanding all things not proud and boastful but honest and childlike and fair a simple sincere and gravely thoughtful people willing to believe that there may be in even the everyday things of life something not yet fully understood a race that can without any loss of native dignity gravely consider the simplest things seeking to fathom their meaning and to learn their lesson equally without vain glorious boasting and trifling cynicism an earnest thoughtful dignified but simple and primitive people To the children of any race these stories can not fail to give pleasure by their vivid imaging of the simple things and creatures of the great out of doors and the epics of their doings They will also give an intimate insight into the mentality of an interesting race at a most interesting stage of development which is now fast receding into the mists of the past
