Wilson Company, Corinne Bacon, 1917 **Dancing with Shadows and Other Stories** Olabisi Gwamna, 2008 The stories in this work are an assortment of bildungsroman most of them recalling childhood experiences in Nigeria They have been written bearing in mind the generation of young Africans born to Africans in the United States Most of these individuals have spent little or no time on the continent and are therefore unaware of the experiences and backgrounds from which their parents come This collection regales the reader with tales of intrigue fun and good humor as some of their parents knew them at the same time providing them with another source of cultural entertainment The stories narrated by the women reveal many cultural dilemmas encountered by some African women in America who find themselves crushed by the cumbersome burden of their gender in a country that has no use for their complicated lifestyle Although African Studies is far entrenched in the curricular of many universities very few books are available to cover all the cultural aspects of such a large study area Hopefully this collection would serve as another perspective for enhancing multicultural understanding **Studies in Education ...**, 1902 **Studies in Education** Earl Barnes, 1902 Annual Report Natick (Mass.), 1920 **The Publishers Weekly**, 1912 **Sanyan Stories**, 2015-01-01 Presented here are nine tales from the celebrated Ming dynasty Sanyan collection of vernacular stories compiled and edited by Feng Menglong 1574 1646 the most knowledgeable connoisseur of popular literature of his time in China The stories he collected were pivotal to the development of Chinese vernacular fiction and their importance in the Chinese literary canon and world literature has been compared to that of Boccaccio's Decameron and the stories of One Thousand and One Nights Peopled with scholars emperors ministers generals

and a gallery of ordinary men and women in their everyday surroundings merchants and artisans prostitutes and courtesans matchmakers and fortune tellers monks and nuns servants and maids thieves and imposters the stories provide a vivid panorama of the bustling world of imperial China before the end of the Ming dynasty The three volumes constituting the Sanyan set Stories Old and New Stories to Caution the World and Stories to Awaken the World each containing forty tales have been translated in their entirety by Shuhui Yang and Yunqin Yang The stories in this volume were selected for their popularity with American readers and their usefulness as texts in classes on Chinese and comparative literature These unabridged translations include all the poetry that is scattered throughout the original stories as well as Feng Menglong's interlinear and marginal comments which point out what seventeenth century readers of the stories were being asked to appreciate
