It locates the global rise of far right nationalism within globalisation and memories of victimhood. Focussing on Hindu nationalism in India, this book is an important and timely contribution to the literature on South Asian Partition Studies that shows how tragedy begets tragedy. It tries to answer an urgent provocative but nevertheless necessary question: What does it mean to remember the Partition in the time of fascism? The author shows what makes up cycles of violence by connecting the reinscription of trauma in Partition memories to the self-serving justifications of the contemporary violence of Hindu nationalism. It analyses how the hegemony of Hindu nationalism has structured the narratives of Hindu Partition survivors and recruited them in service of a putative Hindu nation. *Basketball Goats And Games: Inspiring Stories, Fascinating Facts, And Trivia Fun For Young Fans* Herminia Mckee, Uncover the magic of basketball through a collection of inspiring stories and fascinating facts designed to captivate young fans.
