They will undoubtedly surprise those readers familiar only with Cheever's post 1947 work Each of these early stories bears the unmistakable stamp of the master storyteller Bayonne is an evocative character study of a waitress whose work serving blue collar regulars in a diner provides her with more emotional than financial support In Passing which ends with the radical organizer Girsdansky haranguing a small unmoved crowd on the Boston Common at twilight reveals perhaps more about states of mind during the Depression than standard histories of that era Fall River is an elegy on economic catastrophe in a backwater New England town Cheever calls up a picture of a wasteland with abandoned factories where the looms blocked off the floor like discarded machinery in an old opera house The Autobiography of a Drummer is a remarkable portrait of a man who has outlived his time It anticipates Arthur Miller's Willy Loman by more than a decade In this intriguing collection Cheever plunges us into a stark world the scenes are reminiscent of Edward Hopper It is a world of foreclosures down and outs burlesque shows desperate gamblers and deferred hopes It adds a new dimension to the assessment of John Cheever's considerable reputation The Letters of John Cheever John Cheever, 2009-07-21 John Cheever novelist short story writer and winner of the National Book Award and the Pulitzer Prize was a prolific writer of letters sending as many as thirty in a week These letters culled from thousands written to famous writers and celebrities including John Updike Josephine Herbst William Maxwell Saul Bellow Hope Lange and Philip Roth his family friends and lovers paint an intimate and surprising self portrait that is as vivid as any character Cheever invented Edited and annotated by his son Benjamin Cheever's letters trace his development as a writer and as a man They reveal him to be complex flawed and full of contradictions On display are not just his ambitions and weaknesses his alcoholism and his cloaked bisexuality but also the evolution of his wit and style and most of all his love of life **The World of Apples** John Cheever,1973 Falconer John Cheever, 1992-01-15 1 NEW YORK TIMES BESTSELLER Stunning and brutally powerful one of the most important novels of our time The New York Times tells the story of a man named Farragut his crime and punishment and his struggle to remain a man in a universe bent on beating him back into childhood In a nightmarish prison out of Farragut's suffering and astonishing salvation Pulitzer Prize winning author John Cheever crafted his most powerful work of fiction Only Cheever could deliver these grand themes with the irony unforced eloquence and exhilarating humor that make Falconer such a triumphant work of the moral imagination The Wapshot Chronicle John Cheever, 2021-02-02 NATIONAL BOOK AWARD WINNER Pulitzer Prize winner John Cheever s classic novel about one eccentric New England family inspired by the author's own adolescence The Wapshots have called the quintessential Massachusetts fishing village of St Botolphs home for eons but now it is time for the next generation brothers Moses and Coverly to go out and see the world Moses heads to New York City and eventually a remote island in the South Pacific while his brother travels south to Washington D C and a job so secret that it can t be discussed here Meanwhile back in St Botolphs their father Captain Leander clashes with his fearsome Cousin Honora who controls the family purse strings By turns tragic and deeply funny The Wapshot Chronicle is a richly inventive and vividly told The New York Times
