[Padre Pio... the Capuchin](#) Othniel J. Seiden, 2013-12-01 The life and times Padre Pio of Pietrelcina are remarkable at times downright paranormal and always fascinating Who was Padre Pio He has been a Catholic saint since 2002 but before that he was a controversial Capuchin Catholic Priest and he bore the Stigmata the wounds of Christ Beginning 6 years before his death on September 20th 1928 in a monastery hidden high in the hills of Southern Italy something very strange happened to Padre Pio Alarmed by the unexplainable events which began to follow the Church ordered his immediate confinement But even the thick stone walls of his cell could not contain the phenomenal forces that surrounded him In a very short time the entire countryside was keenly

aware of his presence And now the World will know Enjoy reading a free preview of The Capuchin by clicking on the cover

Author s Note This story is based on the true facts of Padre Pio s life Some of the events herein are composites of events that have been documented by numerous and reliable sources Readers who are doubtful or those who wish to delve further into the books on Padre Pio of Pietrelcina s life numerous writings about this remarkable Capuchin friar priest are listed at the end of this book Since many of the people involved in Padre Pio s life may still be alive some of their names have been changed A few of the characters are also fictitious The person who reads this novel and then explores other books on Padre Pio further will discover that the real life of Padre Pio is far more remarkable and fantastic than any product of this writer s imagination Many of the anecdotes are difficult to believe and I present them as a reporter for you to determine believability for yourself However these stories have been researched in an attempted to be disproved by many including the Vatican Though some could not be verified they could not be disproved I now respectfully submit my story of Padre Pio The Capuchin a story of Sex Horror Violence against Unyielding Faith *History in 30* Percy Bennington,2017-12-17 Francesco Forgione might be a name lost to history but over the course of his life he became one of Catholicism s most well known figures during the 20th century as Padre Pio It was a remarkable path for a man who was legendarily afflicted by a series of illnesses and most famously bore the stigmata very noticeably bearing what appeared to be the crucifixion wounds Jesus s hands suffered Padre Pio was also known for his eccentricities including unique forms of deep meditation and experiencing visions In the secular world in which we live it is rare that one finds someone so integrally characterized by holiness Such a man lived just a century removed from our present age in a small Italian town hidden among mountains and by the walls of a friary But he became a giant not by the power he wielded the money he earned or spent the goods that he owned or the notoriety of his name St Padre Pio became a giant by his humility and his faith He lived in a century plagued by political arrogance violence and consumerism but he lived a quiet and humble life in peace and in poverty The story of Padre Pio is one that should not only encompass his earthly life but also his life as a saint for it is by his holiness that he became a recognized saint of the Catholic Church and it is by his sainthood that he has interceded for so many During his life Padre Pio prayed worked studied suffered and ministered not for his own personal gain but he did all these things because of a deep and immovable love of God and because of an insatiable desire to lead souls to Christ and to salvation As a saint he does the same by his prayers and intercessions St Padre Pio a man of great faith lived the humble life of a Capuchin monk for his devotion to Jesus and Mary the stigmata he bore the miracles attributed to him and the great love he had for all children of God he is recognized as a saint by the Roman Catholic Church and as a beloved intercessor for millions of faithful Catholics Not surprisingly despite all the spiritual work Padre Pio did he was the subject of substantial controversy during his own life And though he has been venerated as Saint Pio of Pietrelcina by the Catholic Church critics have all but called him a fraud *History in 30 The Life of St Padre Pio* provides a quick but comprehensive look at the life of one of the 20th century s most famous Catholics **Tales of**

Rega,2005-12 The fascinating life story of Padre Pio with emphasis on his life as a seminarian young priest and his early years at San Giovanni Rotondo From this small remote mountain friary he became world famous and exercised unbelievable influence on the entire world though he was soon forbidden by his superiors to preach to correspond or to write Covers his early work with Mary Pyle and with the American GIs who came to visit him during WWII when his part of Italy was liberated Padre Pio developed a special love for America and Americans to the point that he wished that all Americans would become his spiritual children This book demonstrates his amazing sense of humor his prayer and fasting his uncanny knowledge of people even before they visited and his profound supernatural awareness In sum Padre Pio and America will instill a profound awe in readers over the impact a truly saintly priest can have on all who come into contact with him **Magic of a**
