Chaney,2013-01-01 More than 80 million Americans claim no church affiliation Only six other nations have a total population of more than 80 million Another 90

million who claim membership or affiliation don't attend church. It is obvious that this many people will not. **Building a Contagious Church** Mark Mittelberg, Bill Hybels, 2000 Mittelberg presents a proven process for raising the value of evangelism in your heart and in your church. He spells out strategies for training all of a church's members to naturally communicate their faith and offers ideas for initiating outreach ministries and events. Includes inspiring stories of lives and churches that have been changed as a result of these practical biblical approaches. **Rick Warren and the Purpose that Drives Him** Richard Abanes, 2005 In a book that includes an exclusive interview with Rick Warren, Abanes, a bestselling author and former staff member at Warren's church, takes a balanced and positive look at issues that have been raised about the purpose-driven concepts. **The Rotarian**, 1976-02 Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about or of interest to Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr. have written for the magazine. *The Californians*, 1996 **Becoming a Blessed Church** N. Graham Standish, 2016-05-08 Pastor and author N. Graham Standish describes how a church that is open to God's purpose, presence, and power can claim God's blessing. Standish shares the story of Calvin Presbyterian Church in Zelienople, Pennsylvania, and its journey to become a spiritually deep congregation, one that is inwardly and outwardly healthy, spiritually, psychologically, physically, and relationally. *Becoming a Blessed Church* will help you discern God's purpose and the path God is calling your congregation to walk. This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation. This second edition includes three new practical chapters that answer the questions the author is most frequently asked: how to effectively run a group, discernment practice, how to create an effective small group program, and how to set a church vision in a new direction that actually works.
