The Passing of the Storm and Other Poems Alfred Castner King, 2020-07-25 Reproduction of the original *The Passing of the Storm and Other Poems* by Alfred Castner King *The Storm, and Other Poems* Francis Bennoch, 1841 **The Storm and Other Poems** Eugenio Montale, 1978 Winner of the PEN Translation Prize these translations by noted American poet Charles Wright bring one of the major collections of poetry in this century to English speaking authors Nobel laureate Eugenio Montale considered *La Bufera e Altro* *The Storm and Other Poems* his best book *Spirit of the Storm and Other Poems* David Irving Dobson, 1922 *The Storm, and Other Poems* Francis Bennoch, 1843 **The Passing of the Storm** Alfred Castner King, 2003-03-01 Originally published in 1907 Alfred Castner King's unique and beautiful *The Passing of the Storm* survives as his most enduring work A rare example of epic verse it sends its readers deep into the heart of the ruggedly wild world of the late 19th and early 20th centuries blending together the pivotal events of that tumultuous era with an ageless tale of brotherly courage and love Even before his accidental blinding midway through life it was King's passion to forever memorialize the natural splendor and simple majesty of the American frontier and its humble working class But it was his continual struggle to come to terms with his late tragedy that gives much of his collected *Other Poems* their unique and intensely captivating voice *The Passing of the Storm and Other Poems* takes readers on a journey through the mind of King as he explores his mournful love of nature and a world now gone bringing them back to life as he could only do through words Alfred Castner King had been a lover of nature a man of the mountains and forests who had embraced the beauty of the natural world with his heart and soul His poems were written after an accident left him blind I have read his poems over the years and at times have been overwhelmed by the beauty of his words King's poetry possesses a spirit that reaches through time and beyond the darkness that shrouded the man *The Passing of the Storm and Other Poems* Alfred Castner King, 2014-05-01 *The Passing of the Storm and Other Poems* by Alfred Castner King *The Storm and Other Poems* George Mackay Brown, 1954 **STORM A POEM IN 5 CANTOS & OTH** E. (Classic Reprint) Alfred Castner King,2015-07-13 Excerpt from The Passing of the Storm and Other Poems Oh that my words were now written Oh that they were inscribed in a book Job xix 23 Books have from time immemorial been the conservators of human wisdom the repositories of information the mentors of youth and adolescence the counsellors of manhood the comfort and companionship of age The experience of an individual school or era when committed to book form becomes the common property of all succeeding time and the accumulated knowledge of the past transmitted from generation to generation through the medium of books may with justice be regarded as the most valuable of human heritages But they have not always been unmixed blessings they have both led and misled they have elucidated yet have mystified They have dissipated the shadows of ignorance and superstition but in some instances have confused and obscured the searchlight of truth In the economy of human affairs books have been factors of no small importance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The**

Kristi Bishop,2019-07-19 The Bird That Sang in the Storm and Other Poems shares thoughts and reflections on a variety of topics ranging from nature s grandeur and beauty to our need for God s love Through her use of descriptive language imagery and lyrical cadences the author inspires readers to be mindful of blessings both large and small The poems in this book were written over the course of thirty five years and drawn from hardship as well as joyful experiences Many were penned in the quiet of the early morning as an observation of some aspect of creation as a cry to God for comfort and guidance or in anticipation of the life awaiting us in heaven **Spirit of the Storm** David Irving Dobson,2016-08-21 Excerpt from Spirit of the Storm And Other Poems Poets are traditionally supposed by red blooded people to be continually bemoaning their unhappy fate The truth is that red blooded people indulge in their feverish and largely meaningless activities in order not to have any time to contemplate their own unhappy fate the realization of which would be unendurable The poet is braver he can face the truth about his fate And he has that courage precisely because he can see himself from high above and from far off as one of many So that when he speaks for himself he is in the degree of his

perception speaking for others It is for this reason that when we can not write poetry we read it We find ourselves in our most secret moods mirrored in another 8 poems The poet reveals our hiddenmost hopes and fears to us And conversely those who read poetry are those who are debarred only by some technical limitation from Writing it They are potential poets Hence the poet has always in a sense fellow poets for an audience And he pleases them to the degree in which he utters for them their unwritten poems The Here and Now in which mankind is imprisoned has never it would seem been more irksome to the impatient soul than since the introduction of machinery It seems that we can bear almost anything better than our nineteenth and twentieth century servitude to the machine Poets no matter how gloomy a view of human fate they took used to find many things to be incidentally enthusiastic about such as oars and stars and beautiful women But the oars are being pushed further and further out of sight by the huge extensions of city brick and mortar the stars are more and more hidden from our gaze by factory smoke and beautiful women no longer seen as the consolations of a dreary life but rather as fellow victims are quite as likely to evoke pity as admiration Thus poetry becomes less and less calculated to give immediate cheer even in its more ostensibly gay moods it has an undertone of mocking irony But it has a deeper comfort which all those who have suffered and are not afraid to remember it must ever be grateful for About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Storm, and Other Poems* Stanley Gordon Rowed,1954 **The Storm** Elizabeth Darwall,1810 **The Passing of the Storm and Other Poems** King Alfred Castner,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
