The Story of the Greatest Nations Edward Sylvester Ellis, Charles Francis Horne, 1913 The story of Martin Luther Elizabeth Jane Whately, 1862 StormFront James V. Brownson, 2003-10-13 Foreword by George R Hunsberger How does one authentically hear and live out the gospel in North America This new book attempts to answer this question in a way that reveals much about the nature of Christian faith today and its relation to contemporary culture In keeping with the aims of the acclaimed Gospel and Our Culture series StormFront investigates how the gospel intersects American culture and seeks to reorient the church to its full and proper missional vocation Four authors noted for their understanding of modern church life offer a sober yet hopeful critique of American culture that focuses on consumerism and the privatization of religion and they challenge the Christian church to embrace its corporate task to be salt and light to the world Amid the many books on the subject this one is distinctive in its concern for application By contrasting contemporary life with a thoroughgoing reading of the biblical narrative the authors help American Christians discern how our cultural location makes it difficult to live out the transformative message of the gospel Few readers will fail to be engaged by the lessons offered here **The Christian. A Story** Hall Caine, 1897 Ezekiel: God's Prophet and His Puzzling Book Preston Taylor, 2006-08 Taylor's thrilling work on Ezekiel is filled with unending inspiration information and help Biblical Studies *Grierson on Documentary* John Grierson, Forsyth Hardy, 1971 **Showdown at the Red Lion** Charles Van Onselen, 2014-12-01 Johannesburg South Africa was and is the Frontier of Money Within months of its founding the mining camp was host to organised crime the African Regiment of the Hills and Irish Brigade bandits Bars brothels boarding houses and hotels oozed testosterone and violence and the use of fists and guns was commonplace Beyond the chaos were clear signs of another struggle one to maintain control honour and order within the emerging male and mining dominated culture In the underworld the dictum of honour among thieves as well as a hatred of informers testified to attempts at self regulation A real man did not take advantage of an opponent by employing underhand tactics It had to be a fair fight if a man was to be respected This was the world that One armed Jack McLoughlin brigand soldier sailor mercenary burglar highwayman and safe cracker entered in the early 1890s to become Johannesburg's most infamous Irish anti hero and social bandit McLoughlin's infatuation with George Stevenson prompted him to recruit the young Englishman into his gang of safe crackers but Stevo was a man with a past and primed for personal and professional betrayal It was a deadly mixture Honour could only be retrieved through a Showdown at the Red Lion **Revelation 12-22 (ITC)** Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are

short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensure that it would always be a source of controversy This commentary focuses on the theological content gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition
