Stormont Dundas And Glengarry 1945-1978:

Stormont, Dundas and Glengarry, 1945-1978 Clive Marin, Frances Marin, 1982 **From Great Wilderness to Seaway Towns** Claire Puccia Parham, 2012-02-01 From Great Wilderness to Seaway Towns adds a new dimension to the debate over the perceived differences between American and Canadian society This fascinating case study examines two communities separated by the St Lawrence River Cornwall Ontario and Massena New York from the end of the Revolutionary War to the present Moving from the struggles of early settlers to industrialization and beyond Claire Puccia Parham chronicles how the residents of both areas created similar social political and economic institutions because of their peripheral locations in a capitalist world system and their inherent congregational and democratic values These distinctive views often brought them into conflict with national leaders **A Violent End** Maggie A. Wheeler, 2001 Mystery set in the St Lawrence Seaway

Small Town in Modern Times David M. Rayside, 1991-04-01 Rayside conducted informal interviews with more than 150 Glengarrians and attended numerous meetings of local councils school boards planning boards and conservation authorities This field research provides the basis for a detailed examination of the self image of the town as a friendly caring united community and of the unequal power relations that exist between different social classes language groups and men and women Working class life is disadvantaged in Alexandria much as it is in large cities French English relations are strained and the experience of women has not been affected to any great extent by the challenges of feminism Local government in Alexandria may be more accessible to the ordinary citizen than it is elsewhere but as Rayside shows the local council rarely engages in issues of genuine concern to residents who themselves largely ignore municipal politics Most local politicians seem inclined to avoid controversy and innovation hoping to retain an environment favourable to business investment Rayside examines the impact of the external world on a small community He situates this impact and the resulting changes in historical context and reveals economic and social relationships that differ from what many of Alexandria s inhabitants believe to be the case A Small Town in Modern Times will be of interest not only to students and scholars of political science sociology history and Canadian studies but also to residents of Alexandria and any other small community in transition

The Brother of Sleep Maggie A. Wheeler, 2004 Farran Mackenzie couldn't have been more surprised when Alison Perry walked into her University of Waterloo office It had been thirty years since she had last seen her best friend in high school and thirty years since her best friend's father a police officer had been killed in the line of duty And now Alison was asking for help in discovering who had really killed her father Farran has doubts about helping her long lost friend A lifetime has passed since Alison walked out of her life with no explanation but doubt fades when a car bomb results in the death of Sergeant Perry's old partner nearly killing Alison and Farran as well Someone obviously doesn't want them to dig up old skeletons so Farran takes them to the only place she feels safe the St Lawrence Seaway But the past keeps catching up with them there too A fated meeting in the local cemetery with Paul Vaughn a police officer from Newfoundland has Farran

revisiting the origins of the St Lawrence Seaway a journey that turned her own life upside down only a year ago and threatens to do so again She feels a strange attraction to Paul whose life seems to mirror her own but what about Jerry Strauss the OPP inspector to whom she owes so much Too many police officers in her life both past and present and too many coincidences Farran s heart is playing havoc with her instincts which could prove dangerous if not deadly Whom can she trust And is the truth worth the price of knowing Back cover Genealogical Periodical Annual Index, Volume 36 (1997)
Leslie K Towle,2000-11-01 Genealogical Periodical Annual Index Key to the Genealogical Literature Volume 36 1997 Anna Liisa Fielding 1997 cloth 281 pp **Negotiating a River** Daniel MacFarlane,2014-03-01 A megaproject half a century in the making the planning and building of the St Lawrence Seaway and Power Project is one of the defining episodes in North American history Possibly the largest construction undertaking in Canadian history and one of the most ambitious borderlands projects ever embarked upon by two countries it also required decades of negotiation and the controversial relocation of thousands of people Negotiating a River looks at the profound impacts of this megaproject from the complex diplomatic negotiations political manoeuvring and environmental diplomacy to the implications on national identities and transnational relations **The New England Historical and Genealogical Register** ,1995 Beginning in 1924 Proceedings are incorporated into the Apr number **Family Records Today** ,1995 **Canadiana** ,1984
