Storms & Son Anthony Caputi, 1985 **Worlds Within and Worlds Without** Michael Jackson, 2023-04-15 Anthropologist Michael Jackson predicates his intellectual autobiography *Worlds Within and Worlds Without* on the view that works and lives are intimately entangled Through a skillful interweaving of personal and ethnographic descriptions he focuses on the imaginative and practical ways human beings negotiate the space between worlds they call their own and worlds they regard as lying beyond their immediate purview Whether the worlds that elude our empirical grasp are identified with divinities or the dead ether or earth history or myth the Internet or the nation state we experience them ambivalently as potential sources of wellbeing and as possible threats to our very existence Closing ourselves off from the world is not an option for our humanity depends on the ties that bind us to significant others and others to us As Jackson shows the relationship between the familiar and the foreign is not only an existential issue that all human beings address in one way or another It is a methodological issue for anthropologists concerned with the complementarity of individual and collective perspectives ethnos and anthropos the intrapsychic and the intersubjective
