Reinhart, 1994 For the Gay Stage Drewey Wayne Gunn, 2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London s West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study **AIDS Narratives** Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual s bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it Writer's Guide to Book Editors, Publishers and Literary Agents, 2001-2002 Jeff Herman, 2000 The classic reference guide for book authors has been completely revised and updated with the names and specific areas of interest of thousands of editors at over 500 book publishing houses **Writer's Guide to Book Editors, Publishers, and Literary Agents, 2003-2004** Jeff Herman, 2002 The Key to Unlocking Your Writing Success This ultimate writer s reference connects you to who s who in the publishing industry Inside you ll find the names addresses phone numbers and e mail and Web addresses for hundreds of top editors and agents plus essays from industry insiders who reveal the secrets to big time success With the most up to date information on an industry that s constantly changing this new edition offers everything you need to get past the slush piles and into the hands of the real players in the publishing field including how to write attention grabbing book proposals and thrive off rejection Now you hold the keys to getting published Writer's Guide to Book Editors, Publishers and Literary Agents, 2002-2003 Jeff Herman, 2001-07-10 This one of a kind reference provides critical information on securing publishing contracts **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents** Jeff Herman, 2003 A guide to the
