Telling Our Selves Ethnicity And Discourse In Southwestern Alaska:

Telling Our Selves Chase Hensel,1996 This text examines ethnicity and discourse in Southwestern Alaska and should be of interest to linguists and anthropologists

Aleut Identities Katherine L. Reedy-Maschner,2010 A contemporary portrait of an Indigenous commercial fishing society in the Arctic

Language, Politics, and Social Interaction in an Inuit Community Donna Patrick,2013-06-10 Since the early 1970s the Inuit of Arctic Quebec have struggled to survive economically and culturally in a rapidly changing northern environment The promotion and maintenance of Inuktitut their native language through language policy and Inuit control over institutions have played a major role in this struggle

Language Politics and Social Interaction in an Inuit Community is a study of indigenous language maintenance in an Arctic Quebec community where four languages Inuktitut Cree French and English are spoken It examines the role that dominant and minority languages play in the social life of this community linking historical analysis with an ethnographic study of face to face interaction and attitudes towards learning and speaking second and third languages in everyday life

A Companion to the Anthropology of American Indians Thomas Biolsi,2008-04-15 This Companion is comprised of 27 original contributions by leading scholars in the field and summarizes the state of anthropological knowledge of Indian peoples as well as the history that got us to this point Surveys the full range of American Indian anthropology from ecological and political economic questions to topics concerning religion language and expressive culture Each chapter provides definitive coverage of its topic as well as situating ethnographic and ethnohistorical data into larger frameworks Explores anthropology s contribution to knowledge its historic and ongoing complicities with colonialism and its political and ethical obligations toward the people studied

Critical Inuit Studies Pamela R. Stern,Lisa Stevenson,2006-12-01 Critical Inuit Studies offers an overview of the current state of Inuit studies by bringing together the insights and fieldwork of more than a dozen scholars from six countries currently working with Native communities in the far north The volume showcases the latest methodologies and interpretive perspectives presents a multitude of instructive case studies with individuals and communities and shares the personal and professional insights from the fieldwork and thought of distinguished researchers The wide ranging topics in this collection include the development of a circumpolar research policy the complex identities of Inuit in the twenty first century the transformative relationship between anthropologist and collaborator the participatory method of conducting research the interpretation of body gesture and the reproduction of culture the use of translation in oral history memory and the construction of a collective Inuit identity the intricate relationship between politics indigenous citizenship and resource development the importance of place names housing policies and the transition from igloos to permanent houses and social networks in the urban setting of Montreal

A Language of Our Own Peter Bakker,1997 The Michif language spoken by descendants of French Canadian fur traders and Cree Indians in western Canada uses French for nouns and Cree for verbs and has two sets of grammatical rules Bakker uses historical research and fieldwork data to

present an analysis of how it came into being **A Language of Our Own : The Genesis of Michif, the Mixed Cree-French Language of the Canadian Metis** Peter Bakker Researcher University of Aarhus,1997-05-08 The Michif language spoken by descendants of French Canadian fur traders and Cree Indians in western Canada is considered an impossible language since it uses French for nouns and Cree for verbs and comprises two different sets of grammatical rules Bakker uses historical research and fieldwork data to present the first detailed analysis of this language and how it came into being *A Grammar of Central Alaskan Yupik (CAY)* Osahito Miyaoka,2012-12-06 The volume is a major grammar of Central Alaskan Yupik CAY It is the culmination of the author s linguistic studies done in Alaska and elsewhere since around 1960 with assistance of many native speakers Central Alaskan Yupik is currently the most vigorous of the nineteen remaining Native Alaskan languages Descriptive in nature extensive and deep this grammar is of typological and of ethnological anthropological interest Given the severely endangered state of the language this much of descriptive linguistic material is without comparison in the field Visions of Culture Jerry D. Moore,2018-11-05 Visions of Culture A Reader Second Edition has been revised and expanded with new selections and is coordinated for use with Visions of Culture An Introduction to Anthropological Theories and Theorists Fifth Edition Each selection is prefaced with a brief introduction about the anthropologist and the text Each primary text is followed by a section titled Queries and Connections a series of questions designed to help students focus on the central issues in each text and to relate them to other readings NEW TO THIS EDITION Part VII Neo Darwinian Evolutionary Theories 25 Leda Cosmides and John Toobey from The Evolutionary Primer 26 Eric Alden Smith from Why Do Good Hunters Have Higher Reproductive Success 27 Robert Boyd and Peter Richerson from Introduction from The Origin and Evolution of Culture Part VIII The Ontological Turn 28 Philippe Descola from Beyond Nature and Culture 29 Tim Ingold from Anthropology beyond Humanity 30 Bruno Latour from Introduction from Reassembling the Social An Introduction to Actor Network Theory *Historical Dictionary of the Inuit* Pamela R. Stern,2013-09-26 The Inuit do not represent a very large population only 160 000 or so spread over a very large portion of the Arctic region and located in four different countries Although they are a people there are many variations from one group to the next and any study of them must consider both similarities and differences The Historical Dictionary of the Inuit introduces us to the Inuit as they actually are and not as they have been traditionally pictured and some would still like to see them looking after their traditional chores and engaged in time honored practices but rather as a modern people trying to shape their worlds in their own interest This second edition includes an updated chronology as well as an introduction to provide a broader view of who the Inuit are where they live and what they do But it is the dictionary section that is most interesting with many new informative entries on persons places events and institutions shedding light not only on the culture but also on the society economy and politics For those seeking further information there is a considerably expanded bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the

Inuit *American Indians in the Lower Mississippi Valley* Daniel H. Usner, Jr.,1998-01-01 During the eighteenth and nineteenth centuries the Native peoples inhabiting the Lower Mississippi Valley confronted increasing domination by colonial powers disastrous reductions in population and the threat of being marginalized by a new cotton economy Their strategies of resistance and adaptation to these changes are brought to light in this perceptive study An introductory overview of the historiography of Native peoples in the early Southeast examines how the study of Native colonial relations has changed over the last century Daniel H Usner Jr reevaluates the Natchez Indians ill fated relations with the French and the cultural effects of Native population losses from disease and warfare during the eighteenth century Usner next examines in detail the social and economic relations the Native peoples forged in the face of colonial domination and demographic decline and he reveals how Natives adapted to the cotton economy which displaced their familiar social and economic networks of interaction with outsiders Finally Usner offers an intriguing excursion into cultural criticism assessing the effects of popular images of Natives from this region

We Share Walls Katherine E. Hoffman,2008-04-15 *We Share Walls Language Land and Gender in Berber Morocco* explores how political economic shifts over the last century have reshaped the language practices and ideologies of women and men in the plains and mountains of rural Morocco Offers a unique and richly textured ethnography of language maintenance and shift as well as language and place making among an overlooked Muslim group Examines how Moroccan Berbers use language to integrate into the Arab speaking world and retain their own distinct identity Illuminates the intriguing semiotic and gender issues embedded in the culture Part of the Blackwell Studies in Discourse and Culture Series

Across a Great Divide Laura L. Scheiber,Mark D. Mitchell,2010-02-15 Archaeological research is uniquely positioned to show how native history and native culture affected the course of colonial interaction but to do so it must transcend colonialist ideas about Native American technological and social change This book applies that insight to five hundred years of native history Using data from a wide variety of geographical temporal and cultural settings the contributors examine economic social and political stability and transformation in indigenous societies before and after the advent of Europeans and document the diversity of native colonial experiences The book s case studies range widely from sixteenth century Florida to the Great Plains to nineteenth century coastal Alaska The contributors address a series of interlocking themes Several consider the role of indigenous agency in the processes of colonial interaction paying particular attention to gender and status Others examine the ways long standing native political economies affected and were in turn affected by colonial interaction A third group explores colonial period ethnogenesis emphasizing the emergence of new native social identities and relations after 1500 The book also highlights tensions between the detailed study of local cases and the search for global processes a recurrent theme in postcolonial research If archaeologists are to bridge the artificial divide separating history from prehistory they must overturn a whole range of colonial ideas about American Indians and their history This book shows that empirical archaeological research can help replace long standing models of indigenous

culture change rooted in colonialist narratives with more nuanced multilinear models of change and play a major role in decolonizing knowledge about native peoples

People of the Lakes Vuntut Gwitchin First Nation, Shirleen Smith, 2010-01-12 Many people have a mental picture of the Canadian north that juxtaposes beauty with harshness For the Van Tat Gwich in the northern Yukon is home with a living history passed on from Elders to youth This book consists of oral accounts that the Elders have been recording for 50 years representing more than 150 years of their history all meticulously translated from Gwich in Yet this is more than a gathering of history collaborator Shirleen Smith provides context for the stories whether they are focused on an individual or international politics Anthropologists folklorists ethnohistorians political scientists economists Indigenous Peoples and readers interested in Canada's northernmost regions will find much to fascinate them

Not Just a Pretty Face Molly Lee, 2006 Now in a full color second edition *Not Just a Pretty Face* is an engaging exploration of the role of dolls and doll making in Alaska Native cultures From ancient ivory carvings to the thriving tourist market dolls and human figurines have played integral parts in the ritual economic and social lives of Native Alaskans Dolls served as children's playthings represented absent community members at ceremonies and predicted the movements of game animals for shamans *Not Just a Pretty Face* surveys these and other uses of dolls and figurines illustrating in beautiful color photographs the diversity of the doll making tradition in Eskimo Athabaskan and Northwest Coast Native communities Authors explore the ethnographic literature twentieth century oral histories and photographic documentation of dolls and the doll making process Contemporary doll makers explain in their own words how they learned to make dolls and what doll making means to them The second edition features a photo essay on Rosalie Paniyak of Chevak one of the most influential doll makers in Alaska today *Not Just a Pretty Face* provides a panoramic view of an ancient tradition and situates the art of doll making within a contemporary context Scholarly yet accessible *Not Just a Pretty Face* is a lively contribution to the literature on dolls anthropology and Native studies

Encyclopedia of Anthropology H. James Birx, 2006 Focuses on physical social and applied anthropology archaeology linguistics and symbolic communication Topics include hominid evolution primate behaviour genetics ancient civilizations cross cultural studies and social theories

Language Ideologies Bambi B. Schieffelin, Kathryn Ann Woolard, Paul V. Kroskrity, 1998 This text refers to the representation of the intersection of language and human beings in a social world These essays examine definitions and conceptions of language focusing on how such activity organizes individuals their interrelationships

Speaking Through the Silence Laine Berman, 1998 Uncovering the structures and functions of conversational narratives uttered within natural social networks Laine Berman shows how working class Javanese women discursively construct identity and meaning within the rigid constraints of an hierarchical social order She does this by identifying the silences the unsaid and by revealing both the structure and function of silence in terms of its indexical reference to local meaning It is here that the force of the Javanese language as used in everyday interaction shows itself to be an extremely potent philosophical entity as well as a means of social control Thus at least in

regard to the urban poor the book boldly questions the difference between traditional definitions of Javanese elegance and oppression This study will contribute to our understanding of the social consequences of language use to the linguistic knowledge of Indonesia and Java and to such basic linguistic issues as narrative structure and function speech levels and styles and indexicality features

The Athabaskan Languages Theodore Fernald, Paul Platero, 2000-05-25 The Native American language family called Athabaskan has received increasing attention from linguists and educators The linguistic chapters in this volume focus on syntax and semantics but also involve morphology phonology and historical linguistics Included is a discussion of whether religion and secular issues can be separated in Navajo classrooms

On Reconstructing Grammar Spike Gildea, 1998 This book shows how to combine grammaticalization theory with the comparative method to reconstruct the grammar of Proto Languages To showcase the methodology seven morphosyntactically distinct verbal systems in the Cariban family three ergative three nominative and one inverse are reconstructed Spike Gildea presents detailed data in his reconstruction of Proto Carib verbal and nominal morphologies The inverse verbal system reconstructs to Proto Carib the other six are innovative and reconstruct to Proto Carib nonfinite source constructions
