Tempting Mr Wright:

Tempting Mr. Wright Sugar Jones, 2017 **Tempting Mr. Wright** Sue Civil-Brown, 2000-10-03 From the bestselling author popularly known as Rachel Lee comes the romantic tale of a mismatched pair who have successfully avoided each other until an unexpected storm traps them together at a Thanksgiving dinner **The Box, and the Shiny Red Ball** Mark A. Fetting, 2009-06-17 After drifting off into every realm imaginable a curiosity soon came to mind about another world a world where spirits played As the shiny red ball bounced around in my box minded head I wondered can the spirit be released through the use of cryogenic storage and if so would the spirit respect its obligation towards the body when it thawed And then comes the spiritual worlds inclusion to the argument What kind of knowledge would it allow to be shared The story begins in a land many times long ago during a period when the planets ability to sustain life was failing to keep up with the radical changes of its seemingly final days Many years before this a man had won one granting from G O D to be the last man left alive Set aside but not lost a single cell now rested frozen in a womb buried beneath the barrens of an ice laden land Once it had become created the being had the same rights offered to all mankind to give birth to a spirit and so forth forced a new beginning and eventually lead to the creation of the minds that we now know Utilizing a primitive frame the art of cryogenics becomes normal practice for a man that refused to ever die as if to prevent mankind from having the same end
