Ten Dumb Things Churches Do How To Avoid Them:

Ten Dumb Things Churches Do Philip Wiehe, 2001-08-01 **Ten Dumb Things Churches Do** is about making the system we call the local church into one that truly reflects what we believe the body of Christ is supposed to be a community that exemplifies the gospel through its life together and its presence in the world Knowing when we've done that however is difficult to measure A business makes money the Red Cross provides emergency relief and a symphony orchestra makes beautiful music But what exactly is the church supposed to do and how should it do that Based on his years as an Episcopal priest and church consultant Philip Wiehe writes here about the church as it is today and how we will need to retrofit it to fulfill its mission in the years to come Along the way he exposes ten dumb things traps that churches often fall into including being too business like or not business like enough failing to do strategic planning falling into the mission statement trap making decisions poorly internal turf wars being confused about identity and others Written in an engaging and accessible style Wiehe provides clergy and lay leaders of congregations with specific steps for undoing the messes they find themselves in or even avoiding them altogether

Ten Stupid Things That Keep Churches from Growing Geoff Surratt, 2009-08-30 Based on interviews with pastors of growing churches as well as personal experience this book identifies the most common mistakes pastors make that keep otherwise healthy churches from reaping the harvest God has prepared Each chapter spotlights a common mistake gives real life examples uses a generous dose of humor and provides a practical course of action to recover from the error The book draws from the experience of Seacoast Church as well as pastors such as Craig Groeschel Chris Hodges Perry Nobel Mark Batterson Dave Ferguson Scott Chapman Dino Rizzo Ron Hamilton and Dave Browning Church leaders will be encouraged to realize that they are not the only ones who struggle and that turning their situation around may not be as daunting a task as they think This is a field guide for the common pastor based on actual churches of all sizes

Ten Dumb Things Churches Do Philip Wiehe, 2001 Turf wars arguments over resources confusion about identity Unique as they may seem to each congregation problems like these can be found in many churches Now based on his years of experience as an Episcopal priest and church consultant author Philip Wiehe examines these familiar dilemmas Along the way he sheds light on ways to make the local church into a community that truly reflects what we believe the body of Christ is supposed to be one that exemplifies the gospel through its life together and its presence in the world

Church Jerry Cook,2010-06-15 Fired by the passion to take the message of the gospel beyond the walls of the church Jerry Cook challenges Christians to reconsider their role in society Jerry Cook emphasizes that the church on Monday operates in the experience of the non believer where the greatest impact for God can occur He encourages Christians to consider themselves strategically placed by Jesus Christ to go to the non believer rather than having them come to God Drawing from the book of Ephesians he challenges traditional thinking of how ministry occurs and what the church should be while presenting an exciting new paradigm of living for Christ **American Book Publishing Record** ,2001 The Church
