**Dropping the Struggle** Roger Housden, 2016-08-05 Is it possible to fully accept even love the life you have Is it possible to drop the struggle to make yourself and your life different Acclaimed teacher and bestselling author Roger Housden says yes in this profound alternative to nonstop striving and self criticism Whether about our relationships careers or spirituality many of us judge ourselves as not measuring up But fulfillment comes when we stop struggling and learn to trust the wisdom of what life presents us with Housden wrote Dropping the Struggle as someone who up until a few years ago spent much of his time in a covert struggle with life Despite his success he often felt that something was missing He struggled for years with an ongoing spiritual longing with questions of meaning and purpose with the search for love with all the usual difficulties of being human until he

finally realized though not with his thinking mind that the only thing life was asking of him was to rest in a deeper knowing that was always there usually silently behind the arguments and strategies that would so commonly occupy his conscious self Struggle will never get us the things we want most Housden writes love meaning presence freedom from anxiety over the past and future contentment with ourselves exactly as we are imperfections and all the acceptance of our mortality because these things lie outside the ego's domain For these we need another way That way begins and ends in surrender in letting go of our resistance to life as it presents itself **Ten Poems to Set You Free** Roger Housden, 2003-12-30 *Ten Poems to Set You Free* inspires you to claim the life that is truly yours In today's world it is deceptively easy to lose sight of our direction and the things that matter and give us joy How quickly the days can slip by the years all gone and we at the end of our lives mourning the life we dreamed of but never lived These ten poems and Roger Housden's reflections on them urge us to stand once and for all and now in the heart of our own life This volume brings together the voices of Thomas Merton David Whyte the Basque poet Miguel de Unamuno Anna Swir from Poland Stanley Kunitz the Greek poet C P Cavafy and Jane Hirshfield as well as three of Housden's favorites Rumi Mary Oliver and Naomi Shihab Nye His luminous essays on the poems show us how to integrate the poets' truth into our own lives Roger Housden's love of poetry and life leaps from every page so much so that his readers feel they have found a guide and mentor through the extraordinary *Ten Poems* series He has opened the eyes and hearts of many not just to the power of poetry but to the truth and beauty of the life of the soul What more can one ask
