*Ten Years to Bangkok* Edwin Kime, 2004-09-01 A man working overseas a long awaited vacation which is planned to be taken in South East Asia a chance meeting and a life long love is born Go with the author on this true life adventure of the heart where time can stand still but persistence pays off **Biker'S Diary: the Best of Ten Years** Jan Meyer, 2012-01-31 Bikers Diary started in 1999 as a weekly column in a local newspaper then known as the River Valley Reader now the Bluff Country Reader Located in a very popular tourist area the publishers plan was a newspaper that emphasized local arts culture and recreation Dr Jan applauded that effort and had spent a year as a community columnist for another paper so she submitted some sample columns and proposed this column written by a biker Ten successful years later she was asked by a faithful reader is she intended to publish the columns in a book That started her thinking and she asked her publisher for permission to do so which was granted At the beginning Dr Jan was living in Lincoln and commuting to her and Spouse Rogers country place near Lanesboro MN Upon retirement they chose that country place as their primary residence Those locations and the people along the way provided fodder for the mill of writing as have the many places around the world to which they have both traveled and or at which Dr Jan has worked The column started out as a way to capture the ambling and sometimes philosophical thoughts and experiences triggered by almost daily time spent on a bike When a serious illness got in the way of biking the habit of writing about life became almost a tension reliever as she wrote about that experience In the years since it started the column has evolved into writing about anything and everything she and others experience in life This book captures some of the best of those first ten years **This Is Thailand** Marek Lenarcik, 2013-07 This is Thailand is the riveting real life account of Marek Lenarcik s blind leap from the safe comfortable and utterly bullshit corporate world of Dublin to the charming exotic beaches of Thailand With rose tinted glasses firmly in place Marek fully expects to find a land of exotic fruits beautiful women and an easy going tropical lifestyle Which he does At first Traveling from Phuket to Bangkok and throughout Thailand s exotic locales Marek s desire to experience all the forbidden fruits Thailand has to offer leads him to Piam a gorgeous kind independent Thai girl who he is convinced might well be the one But as he immerses himself deeper into this strange country replete with often inexplicable thought patterns worldviews and customs Marek begins to discover a much darker more complex side to the Land of Smiles and its inhabitants Soon Piam begins to reveal her true colours It soon dawns on him that despite his best intentions most of the time he has been ensnared as have many men before him by the dreaded Honey Trap The stormy relationship that ensues provides a fascinating backdrop to the insights into Thailand s unique culture that stem from Marek s efforts to come to terms with the reality of the country and the people who call it home **International Film Guide** Peter Cowie, 1982 Living Silence Christina Fink, 2001-05-04 Burma remains the odd man out in South East Asia It is a military dictatorship not part of the region s still dynamic economy and has a troubled relationship with the outside world including that fact that it is the second largest supplier of heroin This exceptionally

Swartz,2020-04-09 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to a myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from traditional strongholds in Europe and the United States To be sure evangelical populists who voted for Donald Trump have resisted certain global pressures and Western missionaries have carried Christian Americanism abroad But the line of influence has also run the other way David R Swartz demonstrates that evangelicals in the Global

South spoke back to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they advocated for a conservative sexual ethic grounded in postcolonial logic As Christian immigration to the United States burgeoned in the wake of the Immigration Act of 1965 global evangelicals forced many American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of resistance accommodation and cooperation Swartz shows that evangelical networks not only go out to but also come from the ends of the earth **Millard's Review of the Far East**
