pornography and the censorship of women's work and the role of feminist teaching on fine art and design degree courses The book covers a variety of art work including installation work painting textiles and photography **The Sculpture of**

Gertrude Hermes Jane Hill, Gertrude Hermes, 2011 A graduate of Leon Underwood's Brook Green School of Art in London Gertrude Hermes 1901-83 trained as a painter and sculptor Hermes and her husband Blair Hughes Stanton who she met at Brook Green went on to become leading lights in the early twentieth century's wood engraving revival Although their marriage was short lived their exuberant visual inventions for Bunyan's *The Pilgrim's Progress* and T E Lawrence's *Seven Pillars of Wisdom* Brought them critical acclaim Much has been written about Hermes' career as a wood engraver In contrast her contribution as a sculptor has been somewhat eclipsed until now *The Sculpture of Gertrude Hermes* presents for the first time a full analysis of the artist's entire sculptural oeuvre Along with a comprehensive catalogue of Hermes' sculpture Jane Hill provides a full account of the artist's life in the context of her career as a sculptor What results is a picture of a pioneering spirit who created busts and heads functional designs decorative work and reliefs that are dynamic and unpredictable Featuring over 140 images *The Sculpture of Gertrude Hermes* is a groundbreaking study of an artist so long associated with one art form This book redresses the imbalance and creates a new and fresh perspective on an important female artist of the twentieth century Publisher's website *Sexing the Border* Katarzyna Kosmala, 2014-09-26 This

innovative book represents a timely intervention in both critical discourses on video and new media art as well as examination of gender in post Socialist contexts The chapters explore how encounters between art and technology have been implicated in the representation and analysis of gender critically reflecting current debates and politics across the region and Europe The book offers a diversity of analytical contexts addressing interwoven histories across post Socialist Europe and engages the paradigms of art practice and the visual cultures such histories uphold Contributors have given a broad interpretation to the questions of video media and performance as well as to mediation in relation to art and gender reflecting on a wide range of subjects from the curatorial role to artistic practice cross cultural collaboration co production democracy and representation and impasses in securing streamlined identities The volume brings together rigorously theoretical and visually comprehensive examinations of examples of works featuring artists such as Bernd and Hilla Becher Anna Dau ikov Izabella Gustowska Judit Kele Komar and Melamid Andrzej Karmasz Marko Markovi Oleg Mavromatti Tanja Ostoji Neboj a eri oba Mare Tralla Ulay and Abramovi and others Contributors Inga Fonar Cocos Mark Gisbourne Marina Gr ini Beata Hock Katarzyna Kosmala Pawe Leszkowicz Iliyana Nedkova Agata Rogo Boryana Rossa Aneta Stojni Josip Zanki Preface by Katy Deepwell *Benezit Dictionary of British Graphic Artists and Illustrators* Stephen Bury, 2012-06-21 This dictionary consists of over 3000 entries on a range of British artists from medieval manuscript illuminators to contemporary cartoonists Its core is comprised of the entries focusing on British graphic artists and illustrators from the 2006 *Benezit Dictionary of Artists* with an additional 90 revised and 60 new articles **This Working-Day World** Sybil

Oldfield,2022-08-24 Originally published in 1994 This Working Day World is lively collection of essays presenting a social political and cultural view of British women s lives in the period 1914 45 The volume describes women s activities in many different areas ranging from the weekly wash to the rescue of child refugees Each essay from an international list of contributors is based on new research which will complement existing studies in a range of disciplines by adding information on among other topics women s teacher training colleges and women in the BBC in medical laboratories and in Art schools The book does not however idealise women the militarism and racism of the period infected women too and this is revealed in the account of women in the British Union of Fascists and the analysis of the Pankhursts merging of patriotism and gender issues Through studies and personal accounts This Working Day World reveals past issues that are still pertinent to debates in today s society As we read the chapter on the recently discovered Diary of Doreen Bates which outlines possibly the first female civil servant campaign for rights as a single mother we hear echoes of issues being discussed today Indeed as we approach the end of the century it is a good moment to look back and re evaluate areas and degrees of progress or the reverse in society and in British women s lives in particular With its unusual photographs this accessible and informative collection provides a rich resource for students in twentieth century social and cultural history and women s studies courses and an enlightening volume for general readers

Art, Education and Gender Gill Hopper,2015-10-05 Why do girls study art and why do girls become primary teachers This book examines and reveals the powerful influence of the family the school and the state in shaping female identity and constructing notions of gender appropriateness It also discusses the status of art at school and the position of women artists in society

Women Artists and Designers in Europe Since 1800 Penny McCracken,1997

War Paint Brian Foss,Professor of Art History School for Studies in Art and Culture Brian Foss,2007-01-01 In this groundbreaking examination of British war art during the Second World War Brian Foss delves deeply into what art meant to Britain and its people at a time when the nation s very survival was under threat Foss probes the impact of war art on the relations between art state patronage and public interest in art and he considers how this period of duress affected the trajectory of British Modernism Supported by some two hundred illustrations and extensive archival research the book offers the richest most nuanced view of mid century art and artists in Britain yet written The author focuses closely on Sir Kenneth Clark s influential War Artists Advisory Committee and explores topics ranging from censorship to artists finances from the depiction of women as war workers to the contributions of war art to evolving notions of national identity and Britishness Lively and insightful the book adds new dimensions to the study of British art and cultural history

Modernism, Magazines, and the British avant-garde Faith Binckes,2010-05-20 This book is a re examination of the fertile years of early modernism immediately preceding the First World War During this period how where and under whose terms the avant garde in Britain would be constructed and consumed were very much to play for It is the first study to look in detail at two little magazines marginalised from many accounts of this competitive process Rhythm and the Blue

Review By thoroughly examining not only the content but the interrelated networks that defined and surrounded these publications Faith Binckes aims to provide a fresh and challenging perspective to the on going reappraisal of modernism Founded in 1911 and edited by John Middleton Murry with assistance from Michael Sadleir and subsequently from Katherine Mansfield *Rhythm* and *The Blue Review* featured a series of pivotal moments *Rhythm* was the arena for a challenge to Roger Fry's vision of Post Impressionism for the introduction of Picasso to a British audience for early short stories and reviews by Lawrence and for Mansfield's discovery of a voice in which to frame her breakthrough writing on New Zealand A further context for many of these experiments was the extended and acrimonious debate *Rhythm* conducted with A R Orage's *New Age* in which issues of the proper gender generation and formulation of modernity were debated month by month However reading magazines as vehicles for avant garde development can only provide half the story The book also pays close attention to their dialogic reproductive and periodical nature and explores the strategies at work within the terminology of the new Crucially it argues that they offer compelling material evidence for the consistently mobile and multiple boundaries of the modern and puts forward a compelling case for focusing upon the specificity of magazines as a medium for literary and artistic innovation

Contemporary Painting in Context Anne Ring Petersen, Mikkel Bogh, Hans Dam Christensen, Peter Nørgaard Larsen, 2010 These essays examine the transformation and expansion of the field of painting in relation to the more general lines of development in culture and visuality The book is divided into five parts with each of them pursuing a distinct line of inquiry *Barbara Hepworth* Matthew Gale, Chris Stephens, 2001-03 Barbara Hepworth is internationally acclaimed as one of the major sculptors of the mid 20th century In this book new research and current assessments combine to throw light on the making history and contemporary reception of 83 of her works

Surrealism in Britain Michael Remy, 2019-09-10 This book was originally published in 1999 and is the first comprehensive study of the British surrealist movement and its achievements Lavishly illustrated the book provides a year by year narrative of the development of surrealism among artists writers critics and theorists in Britain Surrealism was imported into Britain from France by pioneering little magazines The 1936 International Surrealist Exhibition in London put together by Herbert Read and Roland Penrose marked the first attempt to introduce the concept to a wider public Relations with the Soviet Union the Spanish Civil War and World War Two fractured the nascent movement as writers and artists worked out their individual responses and struggled to earn a living in wartime The book follows the story right through to the present day Michael Remy draws on 20 years of studying British surrealism to provide this authoritative and biographically rich account a major contribution to the understanding of the achievements of the artists and writers involved and their allegiance to this key twentieth century movement

Renegotiations John Roberts, 1993 **Women Artists and Modernism** Katy Deepwell, 1998 *Sport and British Jewry* available at last in paperback provides the first wide ranging examination of the importance of sport in the history of the British Jewish community Covering the period from 1890 through to 1970 it examines the peak era of Jewish

involvement and interest in sport and physical recreation in Britain in recent times The book tackles three main themes First the author examines the relationship between sport and the integration of the Jewish migrant community of the late nineteenth and early twentieth century Secondly the study looks at how sport impacted on Jewish ethnicity Thirdly it addresses how sport became linked to expressions of anti-Semitism and Jewish responses to racial discrimination Sport and British Jewry not only demonstrates the significant impact that Jews had on British sport during this time frame but also shows the considerable effect that sport had on the lives experiences and identities of Jews within British society
