Gaining By Losing J.D. Greear,2015-07-28 People are leaving the church J D Greear pastors Big givers Key volunteers Some of his best leaders and friends And that s exactly how he wants it to be When Jesus gave his disciples the Great Commission he revealed that the key for reaching the world with the gospel is found in sending not gathering Though many churches focus time and energy on attracting people and counting numbers the real mission of the church isn t how many people you can gather It s about training up disciples and then sending them out The true measure of success for a church should be its sending capacity not its seating capacity But there is a cost to this To see ministry multiply we must release the seeds God has placed in our hands And to do that we must ask ourselves whether we are concerned more with building our kingdom or God s In Gaining By Losing J D Greear unpacks ten plumb lines that you can use to reorient your church s priorities around God s mission to reach a lost world The good news is that you don t need to choose between gathering or sending Effective churches can and must do both

My Journey to Life! Dr. Sabelo Sam Gasela Mhlanga,2021-06-24 The book is about his own life and he

narrates the history of his family the obstacles he encountered and how he overcame life challenges The book gives the glimpse of how life can be charted with the help of God and other people whom God places on the way to complete the puzzle as God orders it There are low episodes and high episodes in his memoir that can inspire those people who desire to face challenges with boldness and be triumphant in all odds This book will inspire and encourage you to keep on moving to achieve what you aspire in life to make this world a better world Herald of Gospel Liberty Elias Smith, 1903 *Annual Report - United Church Board for World Ministries* United Church Board for World Ministries, 1834 Vols for 1970 include Calendar of prayer with directory of missionaries formerly called pt 3 *The "Inscrutably Chinese" Church* Nathan Faries, 2010-09-23 The first half of the twenty first century promises to be a time of great change for the Christian church in the People's Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking The *Inscrutably Chinese Church* moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close *Nicholas Bhengkosi Hepworth Bhengu's lasting legacy* Dan S.B. Lephoko, 2018-12-01 This is a scholarly book that commemorates the legacy of Rev Nicholas Bhengkosi Hepworth Bhengu who was born on 05 September 1909 at eNtumeni KwaZulu Natal South Africa He was the founder of the Back to God Crusade in the 1950s that has become institutionalised within the Assemblies of God He taught his church to be self sustaining and also encouraged material independence through hard work He died on 07 October 1985 at Groote Schuur Hospital in Cape Town Western Cape South Africa leaving many people in Africa influenced by his rich legacy as an evangelist pastor teacher and church planter to this day Bhengu combined evangelism with development which was critical for the black people who were under a repressive regime in South Africa and in sub Saharan Africa He was a religious revolutionary who planted more than 2000 churches in South Africa and neighbouring countries by emphasising non denominationalism without pressurising converts to discard their churches and join others He was determined to build a movement that would be a vehicle to reach out to the continent of Africa through his churches The book aims at providing academics and researchers with reference material of interactions between spirituality church dynamics socio economic development and political environment Its contribution to existing research with regard to the formative growth of Christianity in Africa is significant and innovative The book's target audience includes academics in the religious fields of missiology church history and contextual theology specifically researchers with intent to write scientific commentaries on the life history of Bhengu
