Movies and Midrash Wendy I. Zierler, 2017-08-16 Brings popular cinema and Jewish religious texts into a meaningful dialogue Movies and Midrash uses cinema as a springboard to discuss central Jewish texts and matters of belief A number of books have drawn on films to explicate Christian theology and belief but Wendy I Zierler is the first to do so from a Jewish perspective exploring what Jewish tradition text and theology have to say about the lessons and themes arising from influential and compelling films The book uses the method of inverted midrash while classical rabbinical midrash begins with exegesis of a verse and then introduces a mashal parable as a means of further explication Zierler turns that process around beginning with the culturally familiar cinematic parable and then analyzing related Jewish texts Each chapter connects a secular film to a different central theme in classical Jewish sources or modern Jewish thought Films covered include The Truman Show truth Memento memory Crimes and Misdemeanors sin Magnolia confession and redemption The Descendants birthright Forrest Gump cleverness and simplicity and The Hunger Games creation of humanity in God's image among others This is a groundbreaking work of originality insight and high quality It will be of great importance not only for Jewish readers but also for non Jewish readers who long for a non Christian perspective on popular film I loved this book Eric Michael Mazur editor Encyclopedia of Religion and Film

A Lifetime of Genesis Henry A. Zoob, 2016-12-22 For many readers of the Bible there are two major obstacles to the enjoyment of scripture comprehension and relevancy In *A Lifetime of Genesis* Rabbi Zoob seeks to help the reader overcome these obstacles In clear logical prose Rabbi Zoob explains the course of the Covenant of Abraham in Genesis and how each major player Abraham Isaac Jacob Joseph Sarah Rebekah Rachel and Leah has an impact on the development and continuity of the Covenant of Abraham He solves the relevancy problem by sharing stories from his life that are connected to the patriarchal and matriarchal events and themes in each previous chapter For example following an analysis of the challenge of infertility that Abraham and Sarah faced he tells the story of how he and his wife Barbara struggled through thirteen years of childlessness And after the chapter on how Jacob wrestled with the angel and the many challenges in his life Rabbi Zoob recalls his sibling struggles with his brother and his wrestling with seasonal depression Rabbi Zoob hopes that his use of this midrashic process to discover personal insights will encourage the reader to do the same

work on my character How do I integrate work and food and intimacy into my life s goals This volume is an attempt to answer these questions for the intelligent and sensitive adult reader It draws significantly on deeper Jewish thought balancing brevity with profundity The Human Challenge provides a rich and exciting entry point for those who are at the early stages of their relationship with Judaism as well as significant benefit to those with an extensive background as it provides a methodical and sourced overview of topics that may otherwise remain as fragmented insights

Ten Women of the Bible Updated Edition Max Lucado, 2024-12-31 Why Did God Choose These Women We don t know all their names Some are referred to in Scripture only by their nationality Some are known only by where they lived Some became queens others lived on the fringes of society One gave birth to a nation another gave birth to the Messiah Their culture often overlooked or discounted the contributions of women yet the writers of Scripture found these women and the role they played remarkable to the telling of God s story As we study the lives of the women in the Bible we find important truths that God wants us to grasp They lived in a different world than our own but we find ourselves facing the same issues they faced Yet even more these women show us there is a God who sees us where we are and loves us for who we are He is the one who hovers over all the pages of the Bible shaping lives rescuing hearts healing sicknesses raising what was dead to life and assigning high callings to those who choose to follow him and have faith in him In this ten lesson workbook Max Lucado recounts some of his favorite stories of these ten women Sarah Abigail Esther the Samaritan Woman Mary Magdalene and others and describes what set them all apart EACH LESSON INCLUDES Five daily in depth Bible studies to help you navigate the stories of Scripture Summary points to help you remember the key takeaways from each lesson Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God s Word in your heart

Traditions of the Bible James L. KUGEL, James L Kugel, 2009-06-30 James Kugel s The Bible As It Was 1997 has been welcomed with universal praise Here now is the full scholarly edition of this wonderfully rich and illuminating work expanding the author s findings into an incomparable reference work Focusing on two dozen core stories in the Pentateuch from the Creation and Tree of Knowledge through the Exodus from Egypt and journey to the Promised Land James Kugel shows us how the earliest interpreters of the scriptures radically transformed the Bible and made it into the book that has come down to us today Kugel explains how and why the writers of this formative age of interpretation roughly 200 B C E to 150 C E assumed such a significant role Mining their writings including the Dead Sea Scrolls works of Philo and Josephus and letters of the Apostle Paul and writings of the Apostolic Fathers and the rabbinic Sages he quotes for us the seminal

passages that uncover this crucial interpretive process For this full scale reference work Kugel has added a substantial treasury of sources and passages for each of the 24 Bible stories It will serve as a unique guide and sourcebook for biblical interpretation **Abraham's Silence** J. Richard Middleton,2021-11-16 It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God But have we misread the point of the story Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham s silent obedience Widely respected biblical theologian creative thinker and public speaker J Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times Middleton focuses on the ethical and theological problem of Abraham s silence and explores the rich biblical tradition of vigorous prayer including the lament psalms as a resource for faith Middleton also examines the book of Job in terms of God validating Job s lament as right speech showing how the vocal Job provides an alternative to the silent Abraham This book provides a fresh interpretation of Genesis 22 and reinforces the church s resurgent interest in lament as an appropriate response to God

Into the Fullness of the Void Dov Elbaum,2013-11-15 A spiritual journey both deeply personal and strikingly universal One of Israel s leading cultural figures Dov Elbaum grew up in an ultra Orthodox Jerusalem family and was a prodigy who seemed destined for greatness in the world of Talmud study But in his late teens he abruptly broke away and set off into secular Israeli society In this fascinating courageous and compelling autobiography Elbaum seeks to understand his decision and its consequences With the structure of Kabbalah as his road map Elbaum journeys into the deep recesses of his self and his soul The ultimate goal of his journey is the Void a Kabbalistic space that precedes God s creation of the world and a psychological state that precedes our formation as individuals It is a space of great vulnerability but also of hope for rebirth and renewal This is an intimate honest revealing work both deeply personal and strikingly universal The Hebrew edition was a bestseller and sold over 50 000 copies **From Job to the Shoah** Reuven Travis,2014-03-18 In Job s final concession to God he uses a phrase generally translated from the Hebrew as Wherefore I abhor myself and repent in dust and ashes afar va eifer A very small number of scholars see this translation as forced While most translations have Job referring to himself with the words afar va eifer this small group of scholars does not believe the Hebrew to be so clear They maintain that the phrase afar va eifer could just as easily be translated as referring to God In this translation of the text Job is calling God dust and ashes Can Job truly be referring to God not himself as dust and ashes How dare he And if he did what did this mean theologically If this linguistic analysis is correct how are we to understand not only the ending of the book but also the entire story of Job These are the questions From Job to the Shoah strives to answer The conclusions it reaches have profound theological implications especially in our modern era when the dust and ashes of the six million Jews murdered in the Holocaust still hang heavily above us **Universalism and Particularism at Sodom and Gomorrah** Diana Lipton,2012-03-01 This book reexamines the Sodom and Gomorrah narrative in Genesis 18 19 an ethically charged text that

has significantly influenced views about homosexuality stereotyping the other the rewards and risks of hospitality and the justice owed to outsiders Its twelve essays reflecting their authors considerable geographical religious methodological and academic diversity explore this troubling text through the lens of universalism and particularism Biblical Sodom is read as the site of multiple borders fluid porous and bi directional between similar and different men and angels men and women fathers and daughters insiders and outsiders hosts and guests residents and aliens chosen and nonchosen and people and God Readers of these exegetically and theologically attentive essays published in memory of Ron Pirson will experience a rare sense of an ancient text being read in and for the modern world The contributors are Calum Carmichael Diana Lipton William John Lyons Nathan MacDonald Amira Meir Yitzhak Itzik Peleg T A Perry Ron Pirson Jonathan D Safren Megan Warner Harlan J Wechsler and Ellen J van Wolde

The Murmuring Deep Avivah Gottlieb Zornberg, 2011-10-04 A book that enhances our appreciation of the Bible explaining exploring and deepening our sense of what it means to be a human being of faith in a world as fractured and fragmentary as ours Forward Avivah Gottlieb Zornberg informs her literary analysis of the biblical text with concepts drawn from Freud Winnicott Laplanche and other psychoanalytic thinkers to make a powerful argument for the idea that the creators of the midrashic commentary the medieval rabbinic commentators and the Hassidic commentators were themselves on some level aware of the complex interplay between conscious and unconscious levels of experience and used this knowledge in their interpretations In her analysis of the stories of Adam and Eve Noah Jonah Abraham Rebecca Isaac Joseph and his brothers Ruth and Esther Zornberg reveals the interaction between consciousness and unconsciousness

A Curious Student's Guide to the Book of Genesis Reuven Travis, 2020-06-22 Genesis contains a rich nuanced text and yet when taught to children it is often done through a series of factoids such as the number of animals brought into the ark or Esau's red lentil soup Worst still children are frequently discouraged from asking questions about its complex storylines This book was written to redress both pedagogical shortcomings It does so by reminding children that the Bible teaches us to be truly good people via amazing stories of brave men and women doing incredible things However the most valuable lessons we learn from the Bible seem to come from people's daily lives how they speak to their spouses how they treat their children how they interact with their neighbors Perhaps most importantly the Bible teaches us to ask questions At times the answers to our questions come easily

At other times the answers we seek are hidden away and so we are left to think and wonder Nonetheless ask we must because by asking questions we can deepen our connection to the ones we address the questions to be it parents teachers or even God himself

Paul and the Hermeneutics of Faith Francis Watson, 2015-11-19 In recent years scholars from both Christian and Jewish backgrounds have tried to rethink the relationship between earliest Christianity and its Jewish milieu and Paul has emerged as a central figure in this debate Francis Watson contributes to this scholarly discussion by seeing Paul and his Jewish contemporaries as above all readers of scripture However different the conclusions they draw they all endeavour to make sense of the same normative scriptural texts in the belief that as they interpret the scriptural texts the texts will themselves interpret and illuminate the world of contemporary experience In that sense Paul and his contemporaries are standing on common ground Far from relativizing their differences however it is this common ground that makes such differences possible In this new edition Watson provides a comprehensive new introduction entitled A Response to My Critics in which he directly engages with the critics of the previous edition There is a substantial new Preface and two new Appendices and the text has been fully revised throughout

The Oxford Annotated Mishnah Shaye J. D.
