Ten Thousand Leaves Love Poems From The Manyoshu:

Ten Thousand Leaves, 1979 *Ten Thousand Leaves*, 1986-02-06 *Ten Thousand Leaves* Anonymous, 1988-06-06

The Manyoshu is the great literary work of eighth century Japan a collection comprising works from more than four hundred writers Its richness and nobility of sentiments have made the Manyoshu an object of literary fascination for centuries Ten Thousand Leaves is a selection of love poems from this magnificent anthology selected and translated by world renowned scholar Harold Wright and complemented by spectacular period art *Poetry For Dummies* The Poetry Center, John Timpone, 2011-03-16 Demystify and appreciate the pleasures of poetry Sometimes it seems like there are as many definitions of poetry as there are poems Coleridge defined poetry as the best words in the best order St Augustine called it the Devil s wine For Shelley poetry was the record of the best and happiest moments of the happiest and best minds But no matter how you define it poetry has exercised a hold upon the hearts and minds of people for more than five millennia That s because for the attentive reader poetry has the power to send chills shooting down the spine and lightning bolts flashing in the brain to throw open the doors of perception and hone our sensibilities to a scalpel s edge Poetry For Dummies is a great guide to reading and writing poems not only for beginners but for anyone interested in verse From Homer to Basho Chaucer to Rumi Shelley to Ginsberg it introduces you to poetry s greatest practitioners It arms you with the tools you need to understand and appreciate poetry in all its forms and to explore your own talent as a poet Discover how to Understand poetic language and forms Interpret poems Get a handle on poetry through the ages Find poetry readings near you Write your own poems Shop your work around to publishers Don t know the difference between an iamb and a trochee Worry not this friendly guide demystifies the jargon and it covers a lot more ground besides including Understanding subject tone narrative and poetic language Mastering the three steps to interpretation Facing the challenges of older poetry Exploring 5 000 years of verse from Mesopotamia to the global village Writing open form poetry Working with traditional forms of verse Writing exercises for aspiring poets Getting published From Sappho to Clark Coolidge and just about everyone in between Poetry For Dummies puts you in touch with the greats of modern and ancient poetry Need guidance on composing a ghazal a tanka a sestina or a psalm This is the book for you *A Thousand Stitches* Constance O'Keefe, 2014-10-16 Based on the true story of an American born Kamikaze Pilot The central story of this novel is told as a memoir written by the main character Isamu Sam Imagawa who was born in America but who served as a pilot for the Imperial Japanese Navy during World War II The story recounts the time Sam spent in Japan from 1932 to 1963 spanning his early school days his boyhood crush and young love for Michiko Miyazawa his military career his unhappy marriage and his final escape to the U S A with his second wife The secondary plot is told from the perspective of Michiko who recounts her life in Japan during wartime and reconstruction The two alternating plots are held together symbolically by a senninbari a belt with a thousand stitches which Michiko made for Sam while Sam was a pilot for the Japanese Kamikaze Corps A Thousand Stitches makes a strong anti war statement

summed up by Michiko's friend Keiko. How stupid, stupid, stupid everything about this war is. This novel was inspired by a memoir *Shig: The True Story of an American Kamikaze* written by Shigeo Imamura whose life closely paralleled that of the hero of *A Thousand Stitches*. **Women in the Language and Society of Japan** Naoko Takemaru, 2010-04-19 Feminist critics have long considered language a primary vehicle for the transmission of sexist values in a society. This much-needed sociolinguistic critique examines the representation of women in traditional Japanese language and society. Derogatory and highly sexualized terms are placed in historical context and the progress of nonsexist language reform is reviewed. Central to this work are the individual voices of Japanese women who took part in a survey expressing their candid thoughts and concerns regarding biased gender representations. In their own words they give voice to the reality of being female within the constraints of a traditional and sometimes misogynistic language. *The Lotus Quest* Mark Griffiths, 2010-07-06 A captivating history of one of the world's most iconic and mysterious flowers. Bewitched by a lotus which flowered from three thousand-year-old seeds in his English garden, Mark Griffiths set out to track the origins and significance of this sublime plant. In this beautifully illustrated book *The Lotus Quest* takes Griffiths from the headquarters of the Linnaean Society in London to a mountain top in northern Japan. As he travels in search of this ancient flower, Griffiths looks at the lotus's significance in ancient Egypt and India, the plant's medicinal uses, and the inspiration it has provided to Western artists. As he tracks the plant, its story unveils a stunning vision of Japan's feudal era with visits to shrines, ruins, gardens, and wild landscapes, as well as meetings with priests, archaeologists, philosophers, and anthropologists, gardeners, and botanists, poets, and artists. He even dines on the lotus in a Tokyo cafe. By the end of Griffiths' journey, when he reaches the hauntingly beautiful Japanese temple of Chuson-ji, readers will finally understand why the lotus has obsessed people throughout the ages. *The Ten Thousand Leaves* Ian Hideo Levy, 1987 Background information on ancient Japanese society accompanies poems about forced separations, unrequited love, sacrifice, love, and marriage. **Kurozumi Shinto** Willis Stoesz, 1989 An in-depth look at the Kurozumi kyo sect of Shinto, giving readers a deep appreciation of the spiritual values of Japan as well as a detailed exploration of the ongoing influence of the oldest of thirteen official sects of the Meiji period. **Literatures of Asia, Africa, and Latin America** Willis Barnstone, Tony Barnstone, 1999 This extraordinary anthology gathers together a tremendously broad selection of representative, authoritative writings spanning antiquity to the present from the most ancient non-Western civilizations of Asia, Africa, and Latin America. It combines extensive introductions, headnotes, and bibliographies with excellent contemporary translations of the best contemporary and classical writers. The selections reflect literary, religious, and philosophical traditions and reveal, despite cultural differences, the universality of life experiences. *The Lyrical Essence of Japanese Poetry* Pasquale De Marco, 2025-04-17 Journey into the captivating world of Japanese poetry where simplicity and depth intertwine to create a profound and enduring art form. This comprehensive guide unveils the rich history, diverse forms, and enduring themes that have shaped Japanese poetry throughout the ages. From its ancient

Shinto roots to the contemporary avant garde this book delves into the origins and evolution of Japanese poetry exploring the unique characteristics of waka haiku renga and tanka Through detailed analysis and evocative examples it illuminates the techniques and devices that Japanese poets have mastered to evoke emotions paint vivid pictures and convey profound insights Beyond traditional boundaries this guide examines the impact of Western influences and the rise of contemporary movements in Japanese poetry It sheds light on how Japanese poets have embraced new technologies and global perspectives while remaining rooted in their rich cultural heritage Discover the significance of nature in Japanese poetry from the serene landscapes of waka to the fleeting moments captured in haiku Explore the interplay of emotions as poets navigate love loss joy and sorrow with exquisite sensitivity Delve into the search for enlightenment as Japanese poetry offers glimpses of spiritual awakening and the pursuit of inner peace Through a diverse selection of poems and in depth analysis this book provides a deeper understanding of the themes and motifs that permeate Japanese poetry It reveals the enduring power of human connections the beauty of the natural world and the transformative potential of artistic expression Whether you are a seasoned scholar a curious student or simply a lover of literature this guide is your passport to the enchanting world of Japanese poetry Let its lyrical essence captivate your imagination and inspire you to appreciate the beauty and depth of this cherished art form If you like this book write a review on google books
