Tending The Heart Of Virtue:

Tending the Heart of Virtue: How Classic Stories Awaken a Childs Moral Imagination Vigen Guroian, 2002-01-14

As the popularity of William Bennetts Book of Virtues attests parents are turning more and more to childrens literature to help instill values in their kids Now in this elegantly written and passionate book Vigen Guroian provides the perfect complement to books such as Bennetts offering parents and teachers a much needed roadmap to some of our finest childrens stories Guroian illuminates the complex ways in which fairy tales and fantasies educate the moral imagination from earliest childhood Examining a wide range of stories from Pinocchio and The Little Mermaid to Charlottes Web The Velveteen Rabbit The Wind in the Willows and the Chronicles of Narnia he argues that these tales capture the meaning of morality through vivid depictions of the struggle between good and evil in which characters must make difficult choices between right and wrong or heroes and villains contest the very fate of imaginary worlds Character and the virtues are depicted compellingly in these stories the virtues glimmer as if in a looking glass and wickedness and deception are unmasked of their pretensions to goodness and truth We are made to face the unvarnished truth about ourselves and what kind of people we want to be Throughout Guroian highlights the classical moral virtues such as courage goodness and honesty especially as they are understood in traditional Christianity At the same time he so persuasively evokes the enduring charm of these familiar works that many readers will be inspired to reread their favorites and explore those they may have missed [Tending the Heart of Virtue](#) ,1998

Tending the Heart of Virtue Vigen Guroian, 2023 Children are vitally concerned with distinguishing good from evil and truth from falsehood This need to make moral distinctions is a gift a grace that human beings are given at the start of their lives Of course we mustn't mistake this grace for complete innocence Children are not pure innocents as every new parent quickly discovers The guile of even the smallest child can make one wonder Where did she learn that Becoming a responsible human being is a path filled with potholes and visited constantly by temptations Children need guidance and moral road maps and they benefit immensely from the example of adults who speak truthfully and with moral strength Our society is finding it difficult to meet these needs of children Some well meaning educators and parents want to drive the passion for moral clarity out of children rather than use it to the advantage of shaping their character We want children to be tolerant and we sometimes seem to think that a too sure sense of right and wrong only produces fanatics Perhaps we have become so resigned to flailing about in the culture's murky waters of moral compromise and ethical obscurantism that it is hard for us to imagine other possibilities for our children I was no exception as a young parent and I sometimes fall into similar habits as a grandparent I find myself doing what I often criticize in others nervously rationalizing my laziness or unwillingness to cultivate conscience and moral sense in my grandchildren Mostly we all fall back on the excuse that we are respecting our children's freedom by permitting them to determine right from wrong and to choose for themselves clear goals of moral living But this is the paean of a false freedom that pays misdirected tribute to a deeply flawed notion of

individual autonomy We end up forfeiting our parental authority and failing to be mentors to our children in the moral life This I fear is the actual state of things **A Chorus of Faith** Carrie Frederick Frost,2025-03-10 In honor of his career his teaching and his scholarship and his wide influence among both scholars and nonacademic audiences comes this Festschrift for Orthodox Christian theologian and ethicist Vigen Guroian Guroian s depth and breadth are unique he has made singular contributions to the fields of ethics and theology as well as composed popular works on gardening He has compared Christian West and East in an irenic and illuminating fashion He has engaged with political theology as well as with the greats of children s literature To aptly honor Guroian this Festschrift includes both personal remembrances and topical reflections within the various fields he has influenced Position Papers - January 2024 Position Papers Team, Editorial Gavan Jennings In Passing The Journey of Thomas Stearns Eliot Part One A Cold Coming Michael Kirke Desmond Fennell s thinking is more important than ever James Bradshaw Contextual theology and Fiducia Supplicans George Weigel Parents can defeat wokism Margaret Hickey Christ s solution to all our problems Pat Hanratty Has the world gone completely mad Gavan Jennings A defence of classic stories for children David Gibney Film Review A Haunting in Venice John Mulderig

Nurturing Your Child's Soul Timothy Jones,2006-09-03 Many of us worry about our kids getting pulled under by our culture s negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven t done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present *Touching the Heart* William J. Bausch,2007 No one can write about storytelling like Father Bill Bausch Both his words and his stories are compelling convincing and completely absorbing Here in this landmark work which he insists is his last his goal is to help readers see the centrality of stories to read and hear Scripture as story and not as history and to learn to enrich and expand their lives by looking at the story behind the story He wants to break readers out of the literalism that constricts their spiritual and social lives so they might gain an appreciation of metaphor and symbol and the sacramentality of the world **Romancing Your Child's Heart** Monte Swan,David Biebel,2002 Parents can have awesome relationships with their children but it is not enough to fill them with Bible facts verses and demand of them certain desired behaviors you must first capture their hearts When a child is young parents can impose their will When the child is older however if the parent hasn t won his heart all the force in the world will only serve to drive him farther and farther away How can parents win the hearts of their children It all starts with romance exactly as God woos us Not just another parenting book Monte Swan takes an entirely new approach to reaching the heart of a child the way of romance Desiring to lead their children to a relationship with God through Jesus Christ parents will learn the very best approach to open the hearts of their children Swan teaches parents how they can enter into the world of their children and give them not only what they long for but what they need an environment of total love and security from which they can conquer the challenges life

has to offer He demonstrates how any parent can turn the tables on the world and romance the hearts of their children to the love of God With practical advice in real life parenting situations Swan equips parents first with the enthusiasm for the challenge ahead and then with concrete ways to win the heart of any child *The Works of Jonathan Edwards: Volume I* □ *III Revised* Jonathan Edwards, *Perspectives* ,1999 *Men of Brave Heart* Archbishop Jose H. Gomez,2009-12-09 What does it take to see man at his worst To share the pain of suffering and death To persevere a life of faith It takes a courageous heart Men of Brave Heart is a celebration of the priestly life from the historical and Scriptural connections through the example of the saints before us The priesthood is a vocation of courage and human drama that brings incredible gifts Men of Brave Heart is the perfect inspiration for any priest or seminarian as well as anyone who wants to better understand the special calling of their priest **The Works of President Edwards.
