family history was finally ready to be released into the public domain I believe our gateway ancestor to be William Ducke Duke who was born in 1620 in England writes the author William most likely came from Devonshire England and landed in Warrosquyouke County Virginia later known as Isle of Wight County according to historians William was sponsored by businessman Justinian Cooper who sponsored and received land grants for dozens of immigrants to IOW Virginia during the colony s early history In 1637 William is believed to have made the actual voyage on The George In Isle of Wight County near the Old Cypress Swamp William Ducke established his home John Duke who was born in 1640 was the first group 2 ancestor to be born in colonial America He married Elizabeth King and the Duke line of Group 2 was officially born *The Tip of the Sword* H. Eddie Fields,2025-06-18 The religious and faithful aspect of our Christian forefathers fight for freedom is a fascinating struggle especially when studied from the proper perspective The facts demonstrate God s hand and influence upon the colonies and our nation s founders It is a history that should be diligently studied and understood How can we as a nation ever determine where we are going if we do not understand our past How do we grasp and hold onto our nation s fundamental beliefs values and principles if we do not understand what they are or how they came to be Do not our beliefs values and principles make us this great nation that has been blessed by Almighty God All Americans should know their forefathers pursued liberty and fought for reasons far beyond economic freedom and political power American secular historians who simply list a desire for religious freedom as one of many causes of the revolution fail us at every level of understanding the persecution that colonists endured Consider the majesty and faith of the words of the founding fathers in the profound commitment of the signatories at the end of the Declaration of Independence And for the support of this Declaration with a firm reliance on the protection of Divine Providence we mutually pledge to each other our lives our fortunes and our sacred honor There is no question upon whom they relied and no doubt about their faith or commitment to one another The early American statesman Daniel Webster clearly and concisely stated his beliefs when he said History is God s providence in human affairs Webster could never have conceived that anyone would write a history excluding God from the story If it is truthful history must acknowledge God s role in it That is the driving theme in this history of the pioneers patriots and preachers of Sinking Creek Baptist Church and the Watauga Settlement It is my hope that every reader will recognize and embrace the influence of God in the lives and circumstances of our founding fathers **Tennessee Records :**
