

The Basic Rules of Tennis

- Tennis is played by two people (singles) or by four people (doubles)
- One person serves and the other receives
- As server you must get the ball from one side of the court to the other; if the ball doesn't make it, it's a fault; two faults is called a double fault
- A match is made up of sets, which is made up of games, which is made up of points
- Point scoring goes 15, 30, 40 and game
- If both sides are on 40 it's called deuce and you must score two more points to win
- Win 6 games to get a set and most often win two sets out of three and you win the match
