Friends' Intelligencer and Journal ,1898 **The Daily Crimson** ,1885 **Feminist Reconstructions in Psychology** Mary Gergen,2000-10-03 *Feminist Reconstructions in Psychology* introduces a distinctive new mode of doing psychology This psychology is based on an increasingly popular range of ideas called social constructionism Within the book new forms of theory and methods of inquiry relating social constructionism to feminist topics are introduced Each chapter highlights different topics of special concern within gender studies especially the psychology of women The first chapter outlines the purposes of the book and positions social constructionism in relation to the more traditional feminist psychologies empiricist and feminist standpoint Given the trend toward social constructionism the author thinks the broad audience of people doing gender work will be interested in becoming familiar with this approach to the field The second and third chapters are focused on narrative methods as a means for studying gender differences in popular autobiographies The discussions center on differences in stories of achievement family love and embodiment Quotations from well known personalities such as Donald Trump and Martina Navratilova enrich the text The fourth fifth and sixth chapters involve issues of menopause with a focus group methodology a historical look at the male gaze as it is poised on the *Naked Maja* painting by Goya and how relationships function within imaginal conversations The two final chapters in the book are exemplars of a recent innovation in the field called performative psychology One monologue is about aging in contemporary society and the other is a feminist

critique of aspects of postmodernism itself The book draws from the central tenets of postmodern inquiry as played out in the positive framework of social constructionism Emphasized are reflexivity the social basis of reality making the breakdown of traditional narrative forms the loss of objectivity as a scientific standard and the possibilities for new forms of doing research In this respect the book is unique and serves to provide a point of view on an intriguing movement that is gaining momentum across the social sciences and humanities It is hoped that this book might serve as a catalyst for further innovative work in psychology This text encourages such moves by its own irreverence for traditions and its overt efforts to break down resistances to creativity in the field New York Magazine ,1990-02-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The British Drama** ,1832 **Toward a New Psychology of Gender** Mary M. Gergen,Sara N. Davis,2013-11-12 Drawn from a brilliant array of voices primarily from psychology but also from other social sciences and humanities this unique reader of creative and intellectually provocative essays investigates the social construction of gender For the past several decades those involved with the study of the psychology of women and gender have been struggling for recognition within the framework of psychology This volume brings together the writings from psychology philosophy psychoanalysis history women s studies education and sociology that critique mainstream thinking and exemplify new ways of creating inquiry **Lone Wolf #1: Night Raider** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Burt Wulff was a nice guy once A New York cop narcotics division But he s seen too much destruction done by the poison in America s veins heroin Too much corrupted and made foul and finally one life too many and too close destroyed Burt Wulff has gone beyond fear beyond love even beyond hate He s simply beyond giving the slightest damn whether he lives or dies so long as he can kill the killers thousands of them all over America and all over the world
