Elson Lowell,1950 **The Making of a Man** Joseph Herbert Appel,1921 Ten-Shun John W. Logan,1995-06-01

Soldiers of the Queen Harold Avery,2021-12-02 **Journal of the United States Infantry Association** ,1920 *Once*

a Week ,1875 **The Vein Openers** John Marshall,2014-01-29 Beresford who had first thought Shoults objective would be the town of Albuera saw he was mistaken and therefore deployed troops to thwart Shoults spearhead It was every man for himself now with fierce hand to hand fighting The conflict now became an overwhelming fight for survival Turning to look for Robbie I had to be alert for a French bayonet or a Polish lance would have been through me The carnage continued with bodies from both camps dead and wounded lying amongst dead cavalry horses If you had been in hell you would have been in a better place With another quick look for Robbie I spotted him alongside Matt Hayes and Will Smith the three of them disabling a Polish lancers horse and then after pulling him to the ground all three bayoneting him The carnage increased when in desperation the French artillery opened up again with a bombardment in our direction killing both French and allied soldiers You could see and hear the canon balls as they flew past our heads some connecting causing decapitation

Infantry Journal ,1920 **Dagger** M. A. Ramey,2024-05-28 Summer 1914 A London based private detective Sergeant

Dagger is employed by Celia Harrison a suffragette to discover why her husband an army Captain has committed suicide Unconvinced by the official verdict of melancholia Celia wants the truth as do MI5 who also recruit Dagger **Good News** Edward Abbey,1991-01-30 In Good News Edward Abbey s acclaimed underground classic the West is wild again American civilization as the twentieth century knew it has crumbled In the great Southwest a new breed of settler whites and Indians together is creating a new way of life in the wilderness a pastoral economy with skills and savvy resurrected from the pre industrial past Meanwhile in a last surviving bastion of urban life the remnants of the power elite are girding their armed forces to re impose the old order This is a land of horses and motorcycles high tech weaponry and primitive courage and the struggle for the American future is mounting in intensity No quarter is asked or given and the outcome hangs in perilous balance against a background of magnificent nature and eternal human verities With this boldly satirical imaginary world Abbey asks us to look around and take stock of what we value before it is too late *Beyond the Far Mountain* Dick

Falzo,2014-09-20 In the rough 1880s coal mining town of Jericho West Virginia young Jonas McNabb is unjustly accused of knifing a man and is forced to flee into the mountains one step ahead of the law but in spite of this he doubles back in a daring move to assure Laura Becker of his innocence and his love Now Jonas faces a treacherous winter in the Appalachian Mountains and must call upon every ounce of his courage and resolve to survive driven by the need to somehow clear his name and return for Laura His chances for success rely heavily upon a fortuitous encounter with a crusty old mountain man

Jebediah and the wondrous wolf dog Savage who with uncanny insight always seems to be in the right place at the right time Includes Readers Guide *The Life of Henry Drummond* George Adam Smith,1899 *Frank and Me at Mundung-ni* Joseph Donohue,2012-03 It was 1937 when Joseph Donohue first met Frank Milisits in grammar school As they grew up together on the Upper East Side of New York City the two boys kept scrapbooks on World War II became junior aid raid wardens and attended block parties for returning veterans But little did Joseph and Frank know that their fascination with war would eventually lead them one day to fight in a hostile climate thousands of miles away In his Korean War memoir Joseph Donohue chronicles the captivating story of how two naive twenty year old kids made a full circle journey from draftees to basic training recruits to airborne troopers who somehow summoned the courage to jump out of the first planet they ever set foot in As the young men arrived in Korea during a time of uncertainty and chaos Donohue details how the two men quickly moved from days of complete boredom to hair raising moments as the crawled in the rat infested trenches dodged booby traps and minefields and risked their lives to keep hordes of enemy soldiers at bay One year later they returned home as combat veterans who has somehow survived terrifying battles and a one in nine chance of becoming a war casualty Frank and Me at Mundung ni provided an eye opening glimpse into the realities of The Forgotten War and the compelling personal memories of two childhood pals who shared an impassioned journey to a war neither would ever forget **Hell on Earth** Avigdor Hameiri,2017-10-02 A historical account of World War I literature Hell on Earth is the second book written by Avigdor Hameiri born Feuerstein 1890 1970 about his experiences as a Russian prisoner of war during the second half of World War I Translator Peter C Appelbaum first became interested in Hameiri s story after learning that one quarter of the Austro Hungarian army was captured and imprisoned and that the horrific events that took place at this time throughout Russia and central Asia are rarely discussed in scholarly texts Available for the first time to an English speaking audience this reality driven novel is comparable to classics like All Quiet on the Western Front and The Gulag Archipelago The text is deeply tragic while allowing some humor to shine through in the darkest hour The reader is introduced to a procession of complex characters with whom Hamieri comes into contact during his imprisonment The narrator watches his friends die one by one until he is released in 1917 with the help of Russian Zionist colleagues He then immigrates to Israel in 1921 Hameiri s perspective on the things surrounding him the Austro Hungarian Army the Russian people and countryside the geography of Siberia the nascent Zionist movement the Russian Revolution and its immediate aftermath offers a distinct personal view of a moment in time that is often overshadowed by the horrors of the Holocaust In his preface Appelbaum argues that World War I was the original sin of the twentieth century without it the unthinkable acts of World War II would not have come to fruition With an introduction by Avner Holtzman Hell on Earth is a fascinating albeit gruesome account of life in prison camps at the end of the First World War Fans of historical fiction and war memoirs will appreciate the historic value in this piece of literature *Where the Hell Are the Guns?* George Blackburn,2012-05-08 In *Where the Hell Are the Guns* author George

Blackburn returns to the early years of the Second World War This volume which completes Blackburn's award winning trilogy extending its coverage to the entire war brings wartime Canada and England to life in captivating often comic detail With the skill of a novelist and the instincts of a seasoned reporter this gifted storyteller traces the evolution of Canada's 4th Field Regiment from a motley assortment of ill equipped recruits to the cream of the Allied artillery more than ready to distinguish itself in the maelstrom of the battle for Normandy The Second World War comes to a generation of Canadians one sunny September weekend in 1939 It is a Canada woefully unprepared for conflict and 4th Field Regiment is rapidly assembled from a grab bag of volunteers from all walks of life many of them mavericks and misfits from a depression ravaged land The regiment passes its first year in Canada in makeshift accommodation including hastily converted stables and pigsties in the exhibition grounds of Ottawa and Toronto For the first few months the soldiers must wear incomplete and moth eaten uniforms from the Great War and their early training is conducted using obsolete equipment or no equipment at all One year into the war the regiment arrives in England without weapons or vehicles and a month later with Britain moving toward the greatest crisis in her history the regiment is finally equipped with guns French ones with wooden wheels dating from 1898 From these inauspicious beginnings the regiment slowly evolves with mishap and occasionally mayhem along the way into a proud and polished regiment which in 1942 is declared the best field regiment in Britain By the time the Allied troops land on the beaches in Normandy the boys of 4th Field are more than ready to go to war From the Hardcover edition

Butterfly-hunting in Many Lands George Blundell Longstaff,1912 **Tales of Bolivar's Children** Edward Everett Chase,1914 *The House of Sand* Terrence Douglas,2011-11-22 The House of Sand is not a story directed at the excesses of the House of Saud and the Kingdom of Saudi Arabia nor is it a veiled reference to present day Bahrain or Yemen and their exclusive ruling families nor even to the once privileged now embattled or deposed families of Libya Tunisia Egypt Syria or elsewhere in the world Rather The House of Sand is a story about the greed ambition self absorption of ruling classes wherever they reside who are not responsive to the aspirations of the people the international political forces that prop up such regimes and the business interests that despoil the areas The story is about the ancient traditions misplaced but eventually reclaimed wisdom ignored for a time and the courage of the people that emerges in the end to seize the opportunity only freedom can offer but not impose Author Terrence Douglas has observed the excesses and endemic corruption throughout the world in the course of his travels always marveling how wisdom and courage stir just below the surface until the appropriate time when it reappears in the soul of the people Follow the journey across the desert from the perspective of Aziz who embodies an ancient wisdom and integrity his son Sultan who wields power only to satisfy his personal and exorbitant tastes and foibles and Chester Holycross so desperate to reclaim his business reputation who is willing to stoop to satisfy Sultans every whim The supporting cast of characters offers the contrast and reliefsometimes comic that the story requires *Stormin Norman: Born to Battle* David N. Robson,2024-05-27 A True Life Story about a

Canadian World War II Veteran Artillery Soldier and hero who experienced MORE MORE abuse by growing up in a household filled with PTSD from a Stepfather who was a poisonous gas scarred World War I Veteran MORE homelessness from running away from home at the tender age of 13 to escape the unpredictable parental abuse MORE active duty than General George S Patton an American icon and 5 Star General after Stormin Norman enlisted at the age of 16 and joined the infamous North Nova Scotia Highlanders aka North Novas Stormin Norman fought in 4 Major Battles against the Germans that forever changed the outcome of WWII and the face of history He was seriously injured twice fighting the Nazis Unbelievably and against the discharging doctor s advice upon leaving the hospital he re enlisted to fight against the Japanese in the Jungles of Burma Here is Stormin Norman s inspiring inside story as told by his own proud Canadian son David N Robson
