The Tenth Red Heifer Arvin Phillips,2005-08-01 Based on an actual event the novel is a thrilling tale of intrigue suspense and betrayal told against an international background The birth of a miraculous heifer in Texas sets off a disastrous chain of global events that ensnare the lives of Christians Jews Muslims and secularists An incisive and gripping account of how religion politics and personal beliefs come together to affect our lives The Hidden Power of a Woman Mahesh

Chavda,Bonnie Chavda,2011-07-28 Women are searching for significance and status in our generation There is a holy restlessness concerning purpose as much as the yearning for power The Hidden Power of a Woman traces the tragedy in the garden where the woman seemingly lost and her garden to the modern day where women are still fighting to regain what they have lost The authors Bonnie and Mahesh Chavda show how modern feminism and religion have both failed in the quest to restore women to their rightful place in our society What is the answer The Chavdas show that her power influence and insight that was stolen in Eden and hidden for subsequent ages was returned back to her two thousand years ago when Christ cried out It is finished As the hidden power of God emerges in the woman who fully follows Christ get ready for empowerment in the church redemption in society miracles in the body and blessings on the human race unequal to any generation previous The new thing God began when he made a woman as the crowning glory of his creation work and was lost in that same Garden will be restored once again **The Mystery of the Red Heifer** Mondo Gonzales,2025-03-04

The Tenth Cow Aram Schefrin,2008-04 Dr Ohrenspan is no ordinary man Bluntly put he is something of a freak His features resemble those of a Neanderthal his body is hairy and his walk plodding He has suffered a lifetime of unkind stares and ridicule In short his existence has been a quiet hell But with an IQ of 200 he is also somewhat of a dichotomy Ohrenspan s origin is a well guarded secret The fact that he is the result of genetic experiments performed by the infamous Nazi doctor Johannes Strengel is known only to a few close confidants like Dr Chipmonk and Colonel Hal Hilmer Ever since his escape from Strengel s clandestine laboratories in the hinterland of Uruguay as a young lad Ohrenspan has had an overwhelming urge to one day return and tear his evil maker limb from limb That day has come With the aid of Dr Chipmonk Ohrenspan has completed the construction of Aquaria a sub oceanic city state off the coast of South America The two scientists populated Aquaria with their own creations a new species of pseudo humans having both lungs and gills which allows them to live in water as well as on land Ohrenspan s invasion of Strengel s stronghold with an Aquarian army is imminent Nothing but Strengel s death at his own hairy hands will suffice But even the best laid plans often run afoul of bizarre events When he finally faces his nemesis he is shocked to realize that he has come full circle with the monster buried deep within his genetic stew Now a hell of a different kind takes God's March to the New Jerusalem Shirley Vaughn,2012-05-23 **The Imminent Second Coming** Lewis S. Brownlow,2012-09-18 The Second Coming of the Lord Jesus Christ is a familiar and well loved theme to Latter Day Saints and Christians generally The associated signs of the times have been debated and

discussed many times However this book approaches the subject from unusual angles and describes signs of the times that have not previously been presented in such a book The evidence from such signs is compelling the upheavals of nature which will precede the second coming are imminent and we should heed the words of the prophets and be prepared **Numbers** Mitchel Modine, 2018-05-06 The book of Numbers is a misunderstood book of the Bible It is about a lot more than just numbers Rather it is about the people's journey with God in the desert The Hebrew title of the book Bammidbar means In the Desert indicating that the setting is the most important part of the story The God who delivered his people from Egypt is the same God who will lead them through the wilderness and give them the Promised Land But as the book of Numbers shows us often it is through the experience of being in a desert that God fulfils his purpose It is the same thing for God's people today This commentary opens up the value of this often overlooked Old Testament book to those who find themselves or their churches in a barren place but with the presence of the Lord alongside them The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible **Biblical Truths and the Plan of**

Pease, 1989-09 The term American Renaissance designates a period in our nation's history when the literary classics appeared works original enough to mark a beginning for America's literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation's secular history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn The American Renaissance Reconsidered examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America's secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman KJV Life Application Study Bible, Third Edition (Genuine Leather, Black, Red Letter) Tyndale, 2023-03-07

Breath Jim J Thiel,2016-03-14 When the Lord formed man from the dust of the ground He breathed into him the breath of life The soul that God endowed you with at birth identifies you on The Day of Judgement to receive just reward or punishment Each person reading this book will be identified with no mistakes about it you will be there to receive justice in God s courts The soul is the immortal part of man that God breathed into him that is why God personally breathed His Sacred Breath into man God has an eternal purpose and a destiny for man What is your purpose What is your destiny *The Anointed ONE*

Mark Brand,2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He s in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It s incredible how many places in God s Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen *History of*
