Tenth Legion:

Tenth Legion Tom Kelly, 2021 Tenth Legion has long been considered the greatest and most hilarious book on turkey hunting Yet until now it was only available in a privately published edition Many people who hunt turkeys do so with an attention to detail a regard for strategy tactics and operations and a disregard for personal comfort and convenience that ranks second only to war As for all cultists it never occurs to them that they may be anachronisms Supremely unconscious of the rest of the world blind and deaf to logic and reason they walk along their different roads in step to the music of their different drums *Caesar's Legion* Stephen Dando-Collins, 2008-04-21 A unique and splendidly researched story following the trials and triumphs of Julius Caesar's Legio X arguably the most famous legion of its day from its activation to the sloggish battle of Munda and from Thapsus Caesar's tactical masterpiece to the grim siege of the Jewish fortress of Masada More than a mere unit account it incorporates the history of Rome and the Roman army at the height of their power and gory glory Many military historians consider Caesar's legions the world's most efficient infantry before the arrival of gunpowder This book shows why Written in readable popular style Caesar's Legion is a must for military buffs and anyone interested in Roman history at a critical point in European civilization T R Fehrenbach author of *This Kind of War* Lone Star and Comanches Stephen Dando Collins paints a vivid and definitive portrait of daily life in the Tenth Legion as he follows Caesar and his men along the blood soaked fringes of the Empire This unprecedented regimental history reveals countless previously unknown details about Roman military practices Caesar's conduct as a commander and his relationships with officers and legionaries and the daily routine and discipline of the Legion From penetrating insights into the mind of history's greatest general to a grunt's eye view of the gruesome realities of war in the Classical Age this unique and riveting true account sets a new standard of excellence and detail to which all authors of ancient military history will now aspire Leisure, Pleasure and Healing Esti Dvorjetski, 2007 This book deals with leisure pleasure and healing at the spas in the eastern Mediterranean basin since the biblical era throughout the Hellenistic Roman Byzantine and early Muslim periods focusing on daily life healing cults medical recommendations and treatments at the curative spas **Nebraska History Magazine**, 1929 *Zanesville and Muskingum County, Ohio* Thomas William Lewis, 1927 Transactions of the American Philological Association American Philological Association, 1885 Nebraska History Addison Erwin Sheldon, James Lee Sellers, James C. Olson, 1929 Swords in the North Paul Anderson, 1957 **The Farthest Valley** Joseph Wheelan, 2024-10-10 A history of the legendary extraction of the Fifth and Seventh Marines from a Chinese trap told for the first time using Chinese sources Knee deep in snow and under a leaden sky American Marines thousands of miles from home watched more snow settle onto the frozen ground glittering in the fading light Suddenly the still Korean night roared to life with the sound of Chinese mortar fire The Fifth and Seventh Marine Regiments were besieged and surrounded by the Chinese 9th Army Group in a surprise attack at Chosin Reservoir in what is now North Korea Vastly outnumbered and outgunned defeat and death seemed

guaranteed Their improbable escape after a week of brutal combat required all the Marines fighting skills and supreme combat leadership It has become the stuff of legend and is brilliantly brought to life in this book through first hand accounts by Joseph Wheelan himself the son of a Chosin veteran However The Farthest Valley also uses Chinese military documents to give a unique perspective on Chinese strategic and tactical failings which allowed the Marines to escape Without the Marines the entire United Nations core strength was at risk of collapse which would have changed the outcome of the Korean War This is a compelling history of the Marines incredible tenacity and of woeful combat leadership as the Chinese gambled away their men s lives and ultimately victory
