Milner,1999-07-01 **New Age Journal** ,1997 Richard III: White Boar Kathleen Milner,2004-12 Just For Fins Tera Lynn Childs,2013-06-01 Half mermaid half human Lily s life is a whirlpool of complication Not only does she have to step up and help childhood friend Tellin whose kingdom is under threat from the changing ocean climate she has to face the fact that an ancient mer law might separate her from her human boyfriend Quince after all **Connecting Link** , *Fair Shake* Naomi Cahn,June Carbone,Nancy Levit,2025-08-05 A stirring comprehensive look at the state of women in the workforce why women s progress has stalled how our economy fosters unproductive competition and how we can fix the system that holds women back In an era of supposed equality women are falling behind in the workplace faster than before a trend exacerbated by Covid 19 Even with more women in the workforce than in decades past wage gaps continue to increase It is the most educated women who have fallen the furthest from behind Blue collar women hold the most insecure and badly paid jobs in our economy And even as we celebrate high profile representation women on the board of Fortune 500 companies and our first female vice president women have limited recourse when they experience harassment and discrimination Fair Shake Women and the Fight to Build a Just Economy explains that the system that governs our economy a winner take all economy is the root cause of these myriad problems The WTA self selects aggressive cutthroat business tactics which creates a feedback loop that sidelines women The authors three legal scholars call this feedback loop the triple bind if women don t compete on the same terms as men they lose if women do compete on the same terms as men they re punished more harshly for their sharp elbows or actual misdeeds and when women see that they can t win on the same terms as men they take themselves out of the game as if they haven t been pushed out already With odds like these stacked against them it s no wonder women feel like no matter how hard they work they can t get ahead Drawing on rich storytelling often found in legal documents Fair Shake makes a compelling case for why existing laws fail to protect women It not only diagnoses the problem of what s wrong with the modern economy but shows how with awareness and collective action we can build a truly just

economy for all **From Gods to God** Avigdor Shinan,Yair Zakovitch,2012-12-01 The ancient Israelites believed things that the writers of the Bible wanted them to forget myths and legends from a pre biblical world that the new monotheist order needed to bury hide or reinterpret Ancient Israel was rich in such literary traditions before the Bible reached the final form that we have today These traditions were not lost but continued passed down through the ages Many managed to reach us in post biblical sources rabbinic literature Jewish Hellenistic writings the writings of the Dead Sea sect the Aramaic Greek Latin and other ancient translations of the Bible and even outside the ancient Jewish world in Christian and Islamic texts The Bible itself sometimes alludes to these traditions often in surprising contexts Written in clear and accessible language this volume presents thirty such traditions It voyages behind the veil of the written Bible to reconstruct what was told and retold among the ancient Israelites even if it is not what the Bible tells us Deathriser of Darkwood: From the Ashes Jen Guberman ,2023-11-03 After botching a resurrection spell the kingdom s greatest wizard hitches a ride in Tera s head Tera never thought paying attention in her deathriser classes was a big deal After flunking her midterms her mom finally put her foot down and grounds Tera That doesn t stop her from sneaking out to Summercloud Fair one night with her friends In a rush to beat her parents home the night of the fair Tera witnesses the incineration of the kingdom s greatest wizard Thinking she s about to become a hero she attempts a basic resurrection spell from class completely forgetting one of the most important rules there needs to be a body After Aeridonis s consciousness moves into Tera s head she learns about the true evil behind his death and realizes the new roommate in her mind is the least of her problems **She Was the Sky to My Earth** Akshat Mittal,2016-07-20 Aarna A complete chaos The hottest girl in the college who effortlessly manages to get the attention of everyone around her partially because of her angelic appearance and charm and her fractious attitude does the rest Aman a silent solitary guy who holds the story of his childhood in his heart which has shaped him into the person he is today Aarna wants to know that story Her curiosity takes her closer to Aman While she tries to solve the mysteries of Aman s life she falls in love with him But Aman has no intentions of getting involved in the drama Love Would Aarna be able to prove her love to Aman Like most fairy tales will this story have a happy ending Not all happy endings need to bring the two people in love together does it Sometimes love can grow nurture and become eternal without two people being together Sometimes it s about losing someone you love and letting them go and still have the strength to say At least it happened **Forthcoming Books** Rose Army,2003 **The Warrior From Aukazland** César Costa,2019-12-03 A young warrior by the name of Pistorius finds himself forced to fight in order to escape from the most adverse situations After losing his family he finds himself alone in the world and decides to go on a journey into unknown lands in search of his last living kin Making use of his strange powers the young man is able to overcome obstacles and show his valor in combat thus creating a legion of admirers wherever he goes Under the guidance of the mage Kitle Pistorius sets forth on a quest for a crystal that will be crucial to avoid the outbreak of a war When all the pieces seem to be falling into place beware for a new finding will be revealed which

Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading
