Such a Dark Thing M. Jess Peacock, 2015-02-05 Evil death demons reanimation and resurrection While such topics are often reserved for the darker mindscapes of the vampire subgenre within popular culture they are equally integral elements of religious history and belief Despite the cultural shift of presenting vampires in a secular light the traditional figure of the vampire within cinema and literature has a rich legacy of serving as a theological marker Whether as a symbol of the allure of sin as an apologetic for assorted religious icons or as a gateway into a discussion of liberationist theology the vampire has served as a spiritual touchstone from Bram Stoker's *Dracula* to Stephen King's *Salem's Lot* to the HBO television series *True Blood* In *Such a Dark Thing* Jess Peacock examines how the figure of the vampire is able to traverse and interconnect theology and academia within the larger popular culture in a compelling and engaging manner The vampire straddles the ineffable chasm between life and death and speaks to the transcendent in all of us tapping into our fundamental curiosity of what if anything exists beyond the mortal coil giving us a glimpse into the interminable while maintaining a cultural currency that is never dead and buried

An in depth analysis of the home grown horror film, each chapter anchored by close studies of key titles consisting of textual analysis, production history, marketing and reception. **The Curse of Frankenstein** Marcus K. Harmes, 2015-06-30. Critics abhorred it, audiences loved it and Hammer executives were thrilled with the box office returns. *The Curse of Frankenstein* was big business. The 1957 film is the first to bring together in a horror movie the unholy two, Christopher Lee and Peter Cushing together with the Hammer company and director Terence Fisher, combinations now legendary among horror fans. In his *Devil's Advocate*, Marcus Harmes goes back to where the Hammer horror production started, looking at the film from a variety of perspectives as a loose literary adaptation of Mary Shelley's novel as a film that had for legal reasons to avoid adapting from James Whale's 1931 film for Universal Pictures and as one which found immediate sources of inspiration in the Gainsborough bodice rippers of the 1940s and the poverty row horrors of the 1950s. Later Hammer horrors may have consolidated the reputation of the company and the stars but these works had their starting point in the creative and commercial choices made by the team behind *The Curse of Frankenstein*. In the film, sparks fly, new life is created and horrors unleashed but the film itself was a jolt to 1950s cinema going that has never been entirely surpassed. *Magic, Monsters, and Make-Believe Heroes* Douglas E. Cowan, 2019-02-26. *Magic Monsters and Make Believe Heroes* looks at fantasy film, television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story. Why do we tell and retell the same stories over and over when we know they can't possibly be true? Contrary to popular belief, it's not because pop culture has run out of good ideas. Rather, it is precisely because these stories are so fantastic, some resonating so deeply that we elevate them to the status of religion. Illuminating everything from *Buffy the Vampire Slayer* to *Dungeons and Dragons* and from *Drunken Master* to *Mad Max*, Douglas E. Cowan offers a modern manifesto for why and how mythology remains a vital force today. **The Bible in Motion** Rhonda Burnette-Bletsch, 2016-09-12. This two part volume contains a comprehensive collection of original

Catholics in the Movies Colleen McDannell, 2008 The common admission that everything I know about religion I learned from the movies is true for believers as much as for unbelievers And at the movies Catholicism is the American religion As an intensely visual faith with a well defined ritual and authority structure Catholicism lends itself to the drama and pageantry of film Beginning with the silent era of film and ending with movies today eleven prominent scholars explore how Catholic characters spaces and rituals are represented in cinema
