Nicholas Nisbett,2020-11-29 This work is an ethnographic investigation into the everyday lives of young people growing up and living in contemporary Bangalore Moving beyond the hype of the Indian knowledge society it examines how new forms of technology and outsourced labour become integral to their lives changing the experience of Indian modernity and globalisation

Economic Growth and Rural Poverty Vinita Kumar,1997 **Social Scientists in the Civic Space**

Arundhati Virmani,Jean Boutier,Manohar Kumar,2024-11-18 The book explores the stakes for the social sciences around four central problems the challenges of context modes of intervention involvement and the ethical dilemmas for the scholar in a democratic space The first challenges of the context examines the variety of situations confronted by scholars since the beginning of the 20th century These include their interventions in key judicial affairs the impact of technological developments like the introduction of big data or even the positionality of the scholar Second the book investigates the modalities according to which social scientists may intervene in the civic space in particular as specialists as experts or in the media A third problem brings together some cases illustrative of researchers involvement in critical issues such as food policies major social reforms or gender related questions Finally the book concludes with a reflection on the modes of exercising critique or dissent in democratic societies and on the ethical dimensions of involvement in the civic space A searing examination of the role of social scientists as they are called upon to address the multiple critical issues faced by contemporary societies from pandemics to climatic change sustainable development migration ethnicity or the place of religion This volume will be of great interest not just to scholars students and researchers of the social sciences but to the general reader as a concerned citizen **Economic and Human Development in Contemporary India** Debdas

Banerjee,2009-12-16 Against the background of the duality in development this book focuses on structural deficiencies for a steady growth rate and how to make growth inclusive It analyses the Indian economy and other developing countries in the twenty first century **Leadership in a Changing World** ,2022-05-11 Leadership in a Changing World A Multidimensional Perspective investigates the multi dimensional aspect of leadership by exploring different perspectives and practices as well as existing theories of effective leadership in a changing world Chapters address such topics as the connection between leadership innovation and creativity venture leadership e leadership digital leadership and more Beyond understanding the nature of effective leadership this book examines the nature of leadership focusing on what we know and how we know it

Economic and Political Weekly ,1999 *Political Economy of Financial Systems* Jitendra Uttam,2025-01-17 As the world grapples with financial instability caused by a massive infusion of pandemic era liquidity and its subsequent withdrawal scholars are raising doubts again regarding the merits behind the unhindered push for liberalization and deregulation In the search for a convincing way out from recurring financial turbulences this book revisits the past experiences of financial stability presided over by long term credit supply largely through bank based intermediation The two Asian countries South Korea and India instituted wide ranging financial repression through an identical Credit based Price

administered System but surprisingly they witnessed contrasting outcomes While accounting for the yawning performance gap between India and South Korea this book introduces a political economy approach to better understand the efficiency of financial systems It argues that the Functional Efficiency of finance is not solely dependent on the structures of finance alone but it also lies in the wider political economic context and its relations with the market *The Indian Economy Since 1991: Economic Reforms and Performance* B. A. Prakash,2011 The Indian Economy Since 1991 Economic Reforms and Performance is the outcome of a collaborative effort by 28 experts who have made significant contributions in research toward the Indian economy Using a data based analytical approach to key economic issues and problems coupled with extensive coverage and a critical and in depth analysis of the developments in all major sub sectors of the Indian economy this edited volume examines the impact of the reforms on various fronts such as economic performance employment unemployment planning process financial and fiscal sectors external sector agriculture industry infrastructure health education poverty and federal finance since 1991 *World Hunger And The World Economy* Keith Griffin,1987-07-14 Written in a style that makes it accessible to everyone interested in development studies not just to economists the focus of this collection of essays is on hunger poverty and inequality Much of the content of the book is based on the author s first hand experience in for example Ethiopia and China and his views on foreign aid and the debt crisis will make controversial and provocative reading **The Indian Economy Since 1991: Economic Reforms and Performance** Prakash Alwin,2008 The Indian Economy Since 1991 Economic Reforms and Performance is an edited volume based on the UGC s model curriculum for Indian Economic Policy meant for all universities in India Each chapter is contributed by an expert in the specific area being addressed and this book presents the policies formulated in each sector or sub sector and the resultant changes during the post reform period 1991 2008 This volume examines the impact of economic reforms on fronts as varied as the fiscal situation of government of India state finances money capital market external sector agriculture industry power health education employment unemployment and poverty *Select Essays on Indian Economy* C. Rangarajan,R. Kannan (of Reserve Bank of India.),2004 This Twin Volume Publication Brings Together Some Of The Path Breaking Writings Of Distinguished Economist Dr C Rangarajan On Various Aspects Of India S Economy Vol I Covers Agrculture Industry And The Economy Monetary System And Financial Sector Vol Ii Covers Fiscal Sector External Sector Useful For Economists Researchers Students Bankers Policymakers Etc **Agriculture and Rural Transformation in India** Goutam Kumar Sarkar,1995 The book presents a broad integrated and critical socio economic review of some of the fundamental concerns regarding India s rural economic growth and poverty and the major thrusts and equity impact of important public policies relating to the agriculture rural sector India after Naxalbari Bernard D'Mello,2018-07-23 How the 1967 uprising at Naxalbari inspired a generation of resistance across India and the South Asian subcontinent Although the 1967 revolutionary armed peasant uprising in Naxalbari at the foot of the Indian Himalayas was brutally crushed the

insurgency gained new life elsewhere in India In fact this revolt has turned out to be the world s longest running people s war and Naxalbari has come to stand for the road to revolution in India What has gone into the making of this protracted Maoist resistance Bernard D Mello s fascinating narrative answers this question by tracing the circumstances that gave rise to India s 1968 decade of revolutionary humanism and those that led to the triumph of the 1989 era of appallingly unequal growth condoned by Hindutva nationalism the Indian variant of Nazism Will what remain of India s continuing 1968 bring twenty first century New Democracy to the collective agenda Or will the ongoing regression of 1989 lead the way to full blown semi fascism and sub imperialism India after Naxalbari is far more than a simple history of the ongoing Naxalite Maoist resistance it is a deeply passionate and informed work that not only captures the essence of modern Indian history but also tries to comprehend the present in the context of that history so that the oppressed can exercise their power to influence its shape and outcome *Colonialism in Action* Debdas Banerjee,1999 The book provides an analysis of the historical origins of the problems of development as rooted firmly in the colonial trade and discusses the ways in which the rich poor dichotomy was propogated and perpetuated
