IN RURAL GREECE

RICHARD and EVA BLUM

With a Foreword by H.R.H. Prince Peter of Greece

The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece

Mary Y. Hallab

The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece:

The Dangerous Hour Richard H. Blum, Eva Maria Blum, 1970 *"The" dangerous hour* Richard Blum, 1970 **The Dangerous Hour** Richard Blum, Eva Blum, 1970 Vampire God Mary Y. Hallab, 2010-03-30 It seems we're awash in vampires these days in everything from movies television shows and novels to role playing games rock bands and breakfast cereals But what accounts for their enduring popular appeal In *Vampire God* Mary Y Hallab examines the mythic figure of the vampire from its origins in early Greek and Slavic folklore its transformation by Romantics like Byron Le Fanu and Stoker and its diverse representations in present day popular culture The allure of the vampire Hallab argues lies in its persistent undeadness its refusal to accept its mortal destiny of death and decay Vampires appeal to our fear of dying and our hope for immortality and as a focus for our doubts and speculations vampire literature offers answers to many of our most urgent questions about the meaning of death the nature of the human soul and its possible survival after bodily dissolution Clearly written with wry humor *Vampire God* is a thoroughly researched ambitious study that draws on cultural anthropological and religious perspectives to explore the significance and function of the vampire in relation to the scientific social psychological and religious beliefs of its time and place *Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art*, Charlie T. McCormick Ph.D., Kim Kennedy White, 2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories it also applies to today's ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies Magic: A Very Short Introduction Owen Davies, 2012-01-26 A wide ranging overview of how magic has been defined understood and practiced over the millennia introduces it in today's world as a real force that helps people overcome misfortune poverty and illness **Cosmopolitan Anxieties** Ruth Mandel, 2008-07-04 An anthropological history that traces shifts in 1990s German immigration policy regarding those within the Turkish diaspora along with portraying the lives of Turkish immigrants **Beware the Evil Eye Volume 1** John H. Elliott, 2015-11-11 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than

twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott's *Beware the Evil Eye* describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible *Religious Orthodoxy and Popular Faith in European Society* Ellen

Badone, 2021-02-09 By examining the ongoing tension between popular and official religion in Europe this collection of essays contributes significantly to the continuing effort to understand the religious experience of ordinary people Ranging from the Mediterranean to northern Europe and including both Roman Catholic and Eastern Orthodox traditions the ethnographic contexts evoked in these essays enable us to see people actively and creatively shaping their religious domain sometimes in collaboration with official ritual specialists often in open rebellion against them The use of folklore texts and extensive narrative quotations combined with an approach highlighting key symbols such as pilgrimages and festas provides a common theoretical orientation throughout the book one that considers how religious discourses are formed by social disciplines and relationships of power and subordination This volume includes *Spirits and the Spirit of Capitalism* by Jane Schneider *The Priest and His People The Contractual Basis for Religious Practice in Rural Portugal* by Caroline B Brettell *The Struggle for the Church Popular Anticlericalism and Religiosity in Post Franco Spain* by Ruth Behar *Pilgrimage and Popular Religion at a Greek Holy Shrine* by Jill Dubisch *Breton Folklore of Anticlericalism* by Ellen Badone *Stories of Power Powerful Stories The Drunken Priest in Donegal* by Lawrence J Taylor and *Reflections on the Study of Religious Orthodoxy and Popular Faith in Europe* by Stanley Brandes **From Bishop to Witch** David Gentilcore, 1992 This book reconstructs the complex

of ritual behaviour and attitudes towards the sacred of a Mediterranean society over the two hundred and fifty years following the close of the Council of Trent 1563 using sources like episcopal court records and trials for the canonisation of local saints Acknowledgements page ix **Killing the Dead** John Blair, 2025-11-11 A riveting history of vampire panics across cultures and down through the millennia and why killing the dead is better than killing the living *Killing the Dead* provides the first in depth global account of one of the world's most widespread yet misunderstood forms of mass hysteria the vampire epidemic In a spellbinding narrative John Blair takes readers from ancient Mesopotamia to present day Haiti to explore a macabre frontier of life and death where corpses are believed to wander or do harm from the grave and where the vampire is a physical expression of society's inexplicable terrors and anxieties In 1732 the British public opened their morning papers to read of lurid happenings in eastern Europe Serbian villagers had dug up several corpses and had found them to be undecayed and bloated with blood Recognizing the marks of vampirism they mutilated and burned them Centuries earlier the English themselves engaged in the same behavior In fact vampire epidemics have flared up throughout history in ancient Assyria China and Rome medieval and early modern Europe and the Americas Blair blends the latest findings in archaeology anthropology and psychology with vampire lore from literature and popular culture to show how these episodes

occur at traumatic moments in societies that upend all sense of security and how the European vampire is just one species in a larger family of predatory supernatural entities that includes the female flying demons of Southeast Asia and the lustful yoginis of India Richly illustrated *Killing the Dead* provocatively argues that corpse killing far from being pathological or unhealthy served as a therapeutic and largely harmless outlet for fear hatred and paranoia that would otherwise result in violence against marginalized groups and individuals

The Superstitious Mind Judith Devlin, 1987-01-01 This intriguing book examines popular religion traditional medicine witchcraft apparitions demonology and magic in nineteenth century rural France Devlin demonstrates that many of the impulses and mental processes now considered superstitious constituted a wholly reasonable response to the pressures of a harsh and impoverished life Far from the product of a primitive mentality many of these beliefs have survived in modern culture and can even illuminate the nature of modern mass politics

Stigma and Mental Illness Paul Jay Fink, 1992 This book is a collection of writings on how society has stigmatized mentally ill persons their families and their caregivers First hand accounts poignantly portray what it is like to be the victim of stigma and mental illness *Stigma and Mental Illness* also presents historical societal and institutional viewpoints that underscore the devastating effects of stigma

Giants Monsters and Dragons Carol Rose, 2001-12-04 Contains alphabetically arranged entries that describe the imaginary creatures found in legends religions folklore oral history and theologies around the world

Evil Eye in Christian Orthodox Society Nikolaos Souvlakis, 2021-06-11 Evil eye is a phenomenon observed globally and has to do with the misfortune and calamities that we can cause to someone else out of jealousy of their possessions The book engages with evil eye beliefs in Corfu and investigates the Christian Orthodox influences on the phenomenon and how it affects individuals reactions to it Developing an interdisciplinary dialogue it offers a fresh view of evil eye as a facilitator of wellbeing rather than a generator of calamities

Canidia, Rome's First Witch Maxwell Teitel Paule, 2017-02-09 Canidia is one of the most well attested witches in Latin literature She appears in no fewer than six of Horace's poems three of which she has a prominent role in Throughout Horace's Epodes and Satires she perpetrates acts of grave desecration kidnapping murder magical torture and poisoning She invades the gardens of Horace's literary patron Maecenas rips apart a lamb with her teeth starves a Roman child to death and threatens to unnaturally prolong Horace's life to keep him in a state of perpetual torment She can be seen as an anti muse Horace repeatedly sets her in opposition to his literary patron casts her as the personification of his iambic poetry and gives her the surprising honor of concluding not only his Epodes but also his second book of Satires This volume is the first comprehensive treatment of Canidia It offers translations of each of the three poems which feature Canidia as a main character as well as the relevant portions from the other three poems in which Canidia plays a minor role These translations are accompanied by extensive analysis of Canidia's part in each piece that takes into account not only the poems literary contexts but their magico religious details

The Sanctuary of Demeter and Kore Gloria S. Merker, 2000 About 24 000 figurines and fragments have been found

on Acrocorinth and this study greatly increases our understanding of the way in which this artform developed over the centuries

Coping With the Gods Henk Versnel, 2011-05-10 Abandoning monolithic approaches and embracing the possibility of inconsistencies and incongruities in Greek thought behaviour and culture this book investigates how ancient Greeks could validate the complementarity of dissonant if not contradictory representations in e.g. polytheism theodicy divine omnipotence and ruler cult

The Vampire Thomas M. Bohn, 2019-09-01 Even before Bram Stoker immortalized Transylvania as the homeland of his fictional Count Dracula the figure of the vampire was inextricably tied to Eastern Europe in the popular imagination Drawing on a wealth of previously neglected sources this book offers a fascinating account of how vampires whose various incarnations originally emerged from folk traditions from all over the world became so strongly identified with Eastern Europe It demonstrates that the modern conception of the vampire was born in the crucible of the Enlightenment embodying a mysterious Eastern otherness that stood opposed to Western rationality From the Prologue From Original Sin to Eternal Life For a broad contemporary public the vampire has become a star a media sensation from Hollywood Bestselling authors such as Bram Stoker Anne Rice and Stephenie Meyer continue to fire the imaginations of young and old alike and bloodsuckers have achieved immortality through films like Dracula Interview with a Vampire and Twilight It is no wonder that in the teenage bedrooms of our globalized world vampires even steal the show from Harry Potter They have long since been assigned individual personalities and treated with sympathy They may possess superhuman powers but they are also burdened by their immortality and have to learn to come to terms with their craving for blood Whereas the Southeast European vampire discovered in the 1730s underwent an Americanization and domestication in the media landscape of the twentieth century the creole zombies that first became known through the cheap novels and horror films of the 1920s still continue to serve as brainless horror figures Do bloodsuckers really exist and should we really be afraid of the dead These are the questions that I seek to tackle following the wishes of my daughter who was ten when I started this project

In the Room of the Circles Federico Barbierato, 2025-09-22 This book investigates the circulation regulation and interpretation of magical texts focusing on the Clavicula Salomonis Key of Solomon one of the most sought after and feared books of the time Drawing on inquisitorial records trial proceedings and archival sources Federico Barbierato uncovers how these texts were read copied and exchanged illuminating the blurred boundaries between religious orthodoxy scientific inquiry and the occult The Early Modern period was marked by a deep ambivalence toward books of magic which were revered as sources of hidden knowledge yet condemned as dangerous and subversive Nowhere was this tension more evident than in Venice a city where inquisitorial censorship clashed with a vibrant book culture At the heart of this volume lies a detailed exploration of the people who interacted with magical writings monks exorcists book dealers artisans and even suspected heretics revealing how these texts served multiple purposes from spiritual protection to financial speculation By examining how authorities sought to suppress reinterpret and sometimes co-opt magical knowledge the book

provides fresh insights into the dynamics of censorship literacy and power Barbierato moves beyond the history of forbidden books to reconstruct a network of exchanges that shaped Early Modern attitudes toward magic and heterodox knowledge In the Room of the Circles will appeal to scholars and students of Early Modern history book history religious studies and intellectual history as well as readers interested in the history of censorship and the relationship between knowledge and power

The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece is one of the best book in our library for free trial. We provide copy of The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece. Where to download The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece online for free? Are you looking for The Dangerous Hour The Lore Of Crisis And Mystery In Rural Greece PDF? This is definitely going to save you time and cash in something you should think about.
