The Dark Hole Of World Hunger And The Christian Solution:

The Dark Hole of World Hunger and the Christian Solution Lester Sumrall, 1989 In our modern society nothing is so under attack by Satan as the home Lester and Louise Sumrall have made this series to encourage you to make your home a place of love and happiness **Charisma and Christian Life**, 1990 Faith Can Change the World Lester Sumrall, 1951-12-12 *Paperbound Books in Print*, 1992 *Paperbound Books in Print* 1995 Reed Reference Publishing, Reference Reed, 1995-12 *Remnant Christianity in a Post-Christian World* W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative *Books in Print*, 1994 Suomalainen kirjallisuus, 1990 *The Hole in Our Gospel World Vision 75th Anniversary* Richard Stearns, 2025-02-04 Richard Stearns shows that the Bible boldly speaks that there is no whole gospel without compassion and justice shown to the poor With more than 260 000 copies sold *The Hole in Our Gospel* continues to impact readers worldwide and this new edition includes updated statistics photos and a foreword from the current World Vision president Is our faith only about going to church studying the Bible and avoiding the most serious sins Or does God expect more Have we embraced the whole gospel or a gospel with a hole in it More than twenty years ago Rich Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns's journey took much more than a long flight to Africa It took answering God's call on his life a call that tore him out of his corner office at one of America's most prestigious corporations to walk with the poorest of the poor in our world Stearns's compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us With more than 260 000 copies sold this revised and updated edition will be part of World Vision's 75th anniversary **Bibliographie nationale française**, 1997 The Hole in Our Gospel 10th Anniversary Edition Richard Stearns, 2019-09-03 This tenth anniversary edition of *The Hole in Our Gospel* features a new chapter and updated statistics along with full color photo and infographic inserts a study guide a concordance of scripture on poverty and justice and personal accounts from readers whose perspectives have been changed by *The Hole in Our Gospel* Is our faith

only about going to church studying the Bible and avoiding the most serious sins Or does God expect more Have we embraced the whole gospel or a gospel with a hole in it More than twenty years ago Rich Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns s journey took much more than a long flight to Africa It took answering God s call on his life a call that tore him out of his corner office at one of America s most prestigious corporations to walk with the poorest of the poor in our world Stearns s compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us

The God Manifesto Michael Yager,2007-05 Judaism Christianity and Islam all represent departures from the law of God By traveling back through time to the moment that was Exodus the author discusses certain truths about the mysterious Entity that we call God which can act as guideposts to personal peace and world peace During the journey back to the Exodus moment we discover that this Entity however is not the loving God and forgiving deity that we have convinced ourselves it is It is in fact an Entity of power completely alien to the God we suppose Why it even chose to interject itself into human affairs is as much a mystery as its existence Whatever its nature its purpose or even if it is still alive today it knew something about us that could provide us the key to living together in peace This secret can be captured through the pages of time some 3 500 years ago when this Entity this God presented itself to mankind freed what it saw as its people from Pharaoh and left a legacy that formed the foundation of the three greatest religions in the world today

Upside Down Verses Right Side Up Steven Allen,2018-08-07 This is a book written out of an observation of the great need for God s full truth to be proclaimed as never before The word of God the Bible His truth is not matching the lifestyles of many proclaiming Christians today as we see the end draw near to that promised land The Lord God has opened my mind up to so many pertinent issues of today Not in judgment but in need of checking our short accounts before the Lord God Almighty God has a schedule and though Satan does not know the hour or the day just as we do not he knows the seasons and is in full attack mode to deceive and destroy As this world seems to be spinning out of control with everything it seems running at warp speed God has never been out of control and never will be We need like never before to fix our eyes on Him and His word of truth if we are to survive in the chaos of today Record number of young adults are today leaving the church and it s easy to see why when you look at all the hypocrisy that they are seeing in reference to God s truth In how we are living our lives as if this world is our hope And to all the compromise of today It s important that we don t take observation as judgment but that we examine our lives unto the full word of God Not to just live in a form of legalism and rules but living in the grace of God and living that grace out not taking advantage of that grace It should never be about judgment but encouragement to running the race as to win the prize This is my motivation Complacency in living in half truth is not truth at all
