problem when it isn't I suspect that the problem is the drama involved The drug we use to access that emotional life is secondary to the fact that we subconsciously feel the need to be drawn into an emotional life Once we know what draws us into the drama and our actual addiction to it so much so that we willingly create it in our everyday lives via our drug of choice then it loses its power over us What it really boils down to is simply growing up and taking responsibility for our actions and for our lives Imagine the many splendid things that we miss because of the superfluous drama with which we fill our lives Think about it

Felling Kelan Nee, 2024-04-15 This collection is a record of one man's navigation of loss, addiction, and labor. At once a meditation on the allure of a legacy in self-destruction and a giving over to hope, *Felling* is an exploration in honesty. Rendered in direct language and through clear eyes, this book, as its title indicates, is concerned with tensions of agency, creation, and destruction, upward and downward motion. After the 1940 publication of *Native Son*, Richard Wright shared some of his stylistic goals in the novel: I wanted the reader to feel that Bigger's story was happening now; he writes like a play upon the stage or a movie unfolding upon the screen. Action follows action, as in a prize fight. Kelan Nee's poetry delivers the immediacy and punch that Wright demanded of literature. Nee has the head for poetry, the heart for poetry, and above all, the guts. This debut collection holds back nothing and leaves me reeling with high hopes for Nee's future in the craft.

December 23 Spiro Milas, 2005-11 Hauntingly touching, *December 23* combines politics and science fiction, touching upon a vast array of emotions. Spiro Milas captivates readers with his uniquely casual yet powerful style in this fast-paced coming-of-age thriller. How can I appreciate my country if it were just given to me unearned? was the thought that inspired a young boy to be given a spiritual and cultural journey to understand what attributes America was made of. Captain America is the nickname given to him by Sandy, a young, nearly deaf girl who teaches him about his destiny. Through experiences with others, this young man becomes Americanized by the lessons he gains: Love, hatred, betrayal, rage, sacrifice, good, and evil are some of the lessons he learns. Something doesn't want him to complete his journey, though. His journey would come full circle on December 23 if he could make it. **Mrs.**
