Where the Waves Turn Back Tyson

Motsenbocker, 2023-04-11 In this powerful memoir following the death of his mother Tyson Motsenbocker retraces the journey an 18th century priest took in this harrowing story of one man's pilgrimage of healing and finding beauty and hope in tragedy After years on the road performing at sold out venues Tyson Motsenbocker returned home to the impending death of his 57 year old hero and mother He begged God to heal her but she died anyway When they buried her body Tyson also buried the childhood version of his faith Shortly before her death however Tyson became intrigued by the complicated legacy of Father Junipero Serra the 18th century Franciscan monk and canonized saint who dedicated his life to the idea that tragedy and suffering are portals to renewal Father Serra built Missions up and down the California coast spreading Christianity as well as enabling and aiding in the oppression and colonization of the native Californians Tyson discovered Serra's El Camino Real a 600 mile pilgrimage route up the California coast that had been largely forgotten for more than 200 years Two days after they buried his mother Tyson set out on a pilgrimage of sorts intending to walk from San Diego to San Francisco along the El Camino following in the footsteps of the saint Tyson's journey takes him down smog choked highways across fog laden beaches past multi million dollar coastal estates and along the towering cliffs of Big Sur And as he walks Tyson also wrestles with his faith questioning the pat answers and easy prayers he once readily accepted trying to understand how hope and tragedy can all be wrapped up in the same God The people he meets along the way challenge his understanding of the meaning of security of what it means to live a meaningful life and of the legacies we all leave behind Where the Waves Turn Back is both part journal and part spiritual memoir and ultimately a thrilling and deeply satisfying read that asks questions that will resonate with readers seeking meaning in an utterly disorienting age [Orange Judd American Agriculturalist](#) ,1883 [Orange Coast Magazine](#) ,1999-07 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle [Ghosthunting Kentucky](#) Patti Starr, 2010-09-14 The hills and hollows and cities of the Bluegrass State offer excellent opportunities for the ghost hunter Guide Patti Starr leads readers on a tour of 30 legendary haunted spaces in Kentucky She snoops around creepy farmhouses and grim garrets eerie rooms and dark corners exposing the ghosts and recording first hand accounts of terrifying encounters Clear maps and photographs help readers locate each dire destination while more sensitive souls can enjoy experiencing these visits from the other side from the safety of their armchair [History of Orange County, California](#)
