Evgeny Sergeev

The Day We Almost Bombed Moscow The Allied War In Russia 1918 19:

The Day They Almost Bombed Moscow Christopher Dobson, John Miller, 1986 An account of the operations of British and Allied forces in Russia from 1918 to 1920 *The Day We Almost Bombed Moscow* Christopher Dobson, John Miller, 1986

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world s first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War *Pessimism and British War Policy, 1916-1918* Brock Millman, 2014-05-22 This analysis of Britains war policy during the last years of the Great War argues that it was strongly affected by a mood of pessimism The policy was revised after the defeats suffered by the allies in 1917 so much so that Britain almost tumbled into peace the following year *The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24* Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using

previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s **Churchill's Secret War**

With Lenin Damien Wright, 2017-07-27 An account of the little known involvement of Royal Marines as they engaged the new Bolsheviks immediately after the Russian Revolution After three years of great loss and suffering on the Eastern Front Imperial Russia was in crisis and on the verge of revolution In November 1917 Lenin's Bolsheviks later known as Soviets seized power signed a peace treaty with the Central Powers and brutally murdered Tsar Nicholas British King George's first cousin and his children so there could be no return to the old order As Russia fractured into loyalist White and revolutionary Red factions the British government became increasingly drawn into the escalating Russian Civil War after hundreds of thousands of German troops transferred from the Eastern Front to France were used in the 1918 Spring Offensive which threatened Paris What began with the landing of a small number of Royal Marines at Murmansk in March 1918 to protect Allied donated war stores quickly escalated with the British government actively pursuing an undeclared war against the Bolsheviks on several fronts in support of British trained and equipped White Russian Allies At the height of British military intervention in mid 1919 British troops were fighting the Soviets far into the Russian interior in the Baltic North Russia Siberia Caspian and Crimea simultaneously The full range of weapons in the British arsenal were deployed including the most modern aircraft tanks and even poison gas British forces were also drawn into peripheral conflicts against White Finnish troops in North Russia and the German Iron Division in the Baltic It remains a little known fact that the last British troops killed by the German Army in the First World War were killed in the Baltic in late 1919 nor that the last Canadian and Australian soldiers to die in the First World War suffered their fate in North Russia in 1919 many months after the Armistice Despite the award of five Victoria Crosses including one posthumous and the loss of hundreds of British and Commonwealth soldiers sailors and airmen most of whom remain buried in Russia the campaign remains virtually unknown in Britain today After withdrawal of all British forces in mid 1920 the British government attempted to cover up its military involvement in Russia by classifying all official documents By the time files relating to the campaign were quietly released decades later there was little public interest Few people in Britain today know that their nation ever fought a war against the Soviet Union The culmination of more than 15 years of painstaking and exhaustive research with access to many previously classified official documents unpublished diaries manuscripts and personal accounts author Damien Wright has written the first

comprehensive campaign history of British and Commonwealth military intervention in the Russian Civil War 1918 20 Allied intervention in the Russian Civil War remains forgotten Wright s book addresses that oversight interspersing the broader story with personal accounts of participants Military History Magazine *Dictionary of Labour Biography* Joyce M. Bellamy, David E. Martin, John Saville, 1993-01-15 Includes radicals of the Chartist and earlier periods trade unionists and other radicals after 1850 The book is especially concerned with 20th century activists and intellectuals notably those whose formative years or main political life was spent during the period between the two World Wars *Churchill's Crusade* Clifford Kinvig, 2007-09-23 The story of Britain s invasion of Russia at the end of the First World War has remained largely untold Although not its initial architect its chief advocate was the passionately anti Bolshevik Winston Churchill Churchill s Crusade is the first complete account of a unique military operation one which if it had succeeded would have changed the history of Russia Europe and the World **Revolution and Civil War in North Russia** Alistair S. Wright, 2025-05-15 Revolution and Civil War in North Russia shines a much needed light on the establishment and consolidation of Bolshevik power on the civil war periphery and examines the Allied anti Bolshevik military and home fronts from a previously uncharted perspective Expanding our understanding of the Russian civil war this book provides the first detailed archival based study in English to analyse the two neighbouring regions of Karelia and Murmansk Despite not being far from the revolutionary capital Petrograd both territories resisted the establishment of Bolshevik power longer than many others and so this study offers novel insights into the complexities of the struggle that eventually led to communist rule Alistair S Wright reflects on how both Karelia and Murmansk relied on food being imported comparing how this problem was dealt with by the two independent local governments Wright shows for the first time how providing Murmansk with food supplies was a key feature of Allied intervention during the conflict part of an informative analysis of Bolshevik and Allied food supply policies to be found throughout the book **Australia's Lost Heroes** Damien Wright, 2024-05-01 This extraordinary book is both an engaging military history and an enthralling mystery Australia s Lost Heroes tells the astonishing little known story of the Australian soldiers who fought the Red Army in Russia in 1919 and the personal odyssey 100 years later to locate and identify the lost grave of Victoria Cross hero Sergeant Samuel Pearse VC MM The Anzac volunteers fought an arduous campaign punctuated by fierce ambushes in thick forest swamps and marshes and attacks on fortified bunkers They also had to fight a war within avoiding the treachery and mutiny of White Russian allies Remarkably two Australians were awarded the Victoria Cross one posthumously Yet unlike the reverence recognition and commemoration afforded to WWI soldiers not only do the deeds of Anzacs in Russia remain unrecognized their graves lie lost and forgotten Follow the author s journey to a remote corner of Russia with the grandson of Samuel Pearse in the hope of identifying the lost grave Guided by a Russian battlefield archaeologist they discover an astonishing clue which may resolve the mystery of an Australian hero missing for 100 years An extraordinary story of national importance dedicated to those forgotten Australian heroes who fought and died
