Sufism in the Contemporary Arabic Novel Ziad Elmarsafy, 2014-08-20 This book will present close readings of three contemporary Arabic novelists an Egyptian Gamal Al Ghitany an Algerian Taher Ouettar and a Touareg Libyan Ibrahim Al Koni who have all turned to Sufism as a literary strategy aimed at negotiating i

Messiah's Many Crowns, in which may be seen an assemblage of precious jewels, collected from his transcendent excellencies, etc Jeremiah Dodsworth, 1863

The Irony of Power Dorothy Jean Weaver, 2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew's version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew's narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God's eye reading of Matthew's narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew's narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives

Astrology Roger B. Culver, Philip A. Ianna, 1988-09 Contemporary astrologers claim that their craft is scientifically based and rationally consistent and above all that astrology works a belief shared by millions of Americans including highly visible political and media personalities As a result the practice of consulting the stars for advice has never been more popular or more dangerous Professional astronomers Roger B Culver and Philip A Ianna have produced a highly readable and well referenced response to the claims of astrologers This book points out the glaring inconsistencies associated with the basic concepts of modern astrology from the zodiac itself to the fabled Age of Aquarius Tracing humanity's historical fascination with the heavens that produced the celestial twins of astronomy and astrology the authors leave little doubt concerning the difference between astronomical science and astrological art form Astrology True or False offers a complete and extensive summary of available evidence on astrology's basic definitions concepts and effectiveness The authors research revealed thousands of predictions gone bust from the start of World War III to claims about the existence of an anti Earth orbiting on the other side of the sun They studied the famous twenty year cycle of presidential death and disaster the moon cycles of crime and murder in major cities and the incidences of major personality traits in certain sun signs Their conclusions while disappointing to the determined believer in astrology are nevertheless refreshingly rational

Understanding Jesus Joe

Amaral,2025-05-01 Modern day Christians often bring their own presuppositions and assumptions to the reading of the Bible not realizing how deeply their understanding of Christ s life and teachings is affected by a 21st century worldview In Understanding Jesus author Joe Amaral delves deep into Jewish history societal mores and cultural traditions closing the gap created by geographical distance and over two thousand years of history Using a chronological approach to the life of Christ he guides the reader through significant events such as Jesus birth baptism and crucifixion pointing out illuminating details that that the Western mind would normally miss Amaral s premise is that to understand Jesus we must understand the time and place in which he was born the background from which he drew his illustrations and the audience he spoke to Throughout the book he explores specific terms places and events for their significance and shows how they add richness and meaning to the text Topics include the connection between Jesus and John the Baptist the annual Feasts and why they are important to modern Christianity Jewish customs such as foot washing clean and unclean foods paying tribute to political governments and the significance of various miracles In Understanding Jesus Amaral draws back the curtain on a way of life that existed during the reign of the Caesars and in doing so reveals truths about the way we live more than two thousand years later half a world away Christian Psalmody; Comprising the Book of Psalms Arranged in Suitable Portions, and Congregational Hymns, Etc. [Compiled by J. C. Franks.] ,1834 **The Cumulative Book Index** ,1979 A world list of books in the English language
