**The Dean Smith Story** Thad Mumau, 1980      *Dean Smith* Charlotte Observer, 2015-03-01 A tribute to the late Dean Smith who was a basketball coaching legend at North Carolina as well as a socially conscious person who did what he thought was right no matter the consequence When he retired in 1997 he was the winningest coach in NCAA Division I men's basketball history Beloved by fans and players alike Coach Smith's legacy was apparent well before his passing in February 2015 In *Dean Smith More Than A Coach* the Charlotte Observer's commemorative tribute features rare stories and photographs from the newspaper's archives with a powerful foreword by Phil Ford one of North Carolina's all time great players as well as the writing of acclaimed Observer columnist Scott Fowler Whether celebrating Smith's two national championships or his leadership in integrating the North Carolina basketball program the book is a moving tribute to a beloved man      *A Coach's Life* Dean Smith, John Kilgo, Sally Jenkins, 2000-02-29 Legendary University of North Carolina basketball coach Dean Smith tells the full story of his fabled career and shares the life lessons taught and learned over forty years of unparalleled success as a coach and mentor For almost forty years Dean Smith coached the University of North Carolina men's basketball program with unsurpassed success on the court and in shaping young men's lives In his long awaited memoir he reflects on the great games teams players strategies and rivalries that defined his career and explains the philosophy that guided him There's a lot more to life than basketball though some may beg to differ but there's a lot more to basketball than basketball and this is a book about basketball filled with wisdom about life Dean Smith insisted that the fundamentals of good basketball were the fundamentals of character passion discipline focus selflessness and responsibility and he strove to unite his teams in pursuit of those values To read this book is to understand why Dean Smith changed the lives of the players he coached from Michael Jordan who calls him his second father and who never played a single NBA game without wearing a pair of UNC basketball shorts under his uniform to the last man on the bench of his least talented team We all wish we had a coach like Dean Smith in our lives and now we will have that chance      *Dean Smith* Jeff Davis, 2017-02-07 Former University of North Carolina men's basketball coach Dean Smith was one of the most successful coaches ever to hold a whistle In his 36 years at North Carolina his teams won a record 879 games They also captured 17 conference championships and two NCAA championships claimed 30 seasons with at least 20 wins and made 11 Final Four appearances Coach Smith developed 26 consensus All Americans five NBA rookies of the year including the great Michael Jordan and 25 first round draft picks But Smith's basketball accomplishments tell only part of his story You may not know that Smith worked to abolish the death penalty in North Carolina and openly supported gay rights As a high school senior in 1949 five years before the Supreme Court's historic ruling in *Brown vs Board of Education* he pleaded in vain with officials to include African American players on the school's basketball team Sixteen years later after completing his fourth season as the head coach at North Carolina Smith ventured to New York City and came back to Chapel Hill with Charlie Scott the most

significant recruit of his tenure Scott became the school's first African American scholarship recipient Smith had successfully integrated major college basketball in the South Smith passed away in February 2015 and Dean Smith A Basketball Life takes stock of this extraordinary man whose ideas and philosophies have shaped the best of what college basketball has been and should aspire to be in the future In this revealing biography author Jeff Davis calls on the reminiscences of Coach Smith's closest friends and associates former players coaches and rivals and a wealth of secondary sources to render a rich and vivid portrait of this towering figure of 20th century American sports
