**The Extraordinary Rise of the Russian Empire** Arthur C. Hasiotis, Ph.D., 2018-02-22 The Extraordinary Rise of the Russian Empire By Arthur C Hasiotis Ph D Political and cultural biases must not be allowed to misrepresent historical writings and an accurate representation of the truth Otherwise generations of citizens and leaders will lack the record and guidelines of what actually happened With this fundamental principle underlying the effort Arthur C Hasiotis Ph D gives us an impressive study of Russian history from its beginnings to the present day emphasizing Russia s relationship of

confrontation and cooperation engagement and constraint with the great Western powers Challenging points in the standard historiography this book presents a powerful reinterpretation of important movements and events As such it is far from a dry history but dives into a number of topical controversies and key geopolitical questions which will keep readers both piqued and informed Comes with an extensive subject ordered bibliography and thorough panoply of documentation

**The Life and Times of Charles R. Crane, 1858-1939** Norman E. Saul, 2012-12-21 In *The Life and Times of Charles R Crane* Norman E Saul analyzes the contributions of Charles R Crane world traveler businessman diplomat and philanthropist in the setting of his times Crane acquired his appreciation for Russian culture and life through travel in the country making a total of twenty four trips to Russia He developed friendships and professional relationships with many prominent Russians in political cultural and artistic spheres in addition to his connections to important figures in American history such as Woodrow Wilson As the son of a Chicago industrialist with little formal education Charles R Crane enjoyed remarkable success serving as a financial backer and advisor to the Woodrow Wilson administration founding member of the 1917 Root Commission to Russia minister to China and establishing a factory in Russia to manufacture air brakes for the Russian railroad He devoted a considerable amount of his own time and resources to educating Americans about the Russian people He sponsored visiting lecturers subsidized publications and commissioned works by Russian artists Charles Crane was arguably the first true American globalist His activities involved Russia China and the Middle East but Saul emphasizes his travels in Russia and his role in the development and promotion of Russian studies in America Crane represented the United States becoming a world power in business and diplomacy and fostered an American appreciation and knowledge of Russian Asian and Middle Eastern societies By studying this unusual man Saul explores the world in which he lived and traveled The relationship between America and Russia has always been a complex and fascinating one and Saul shines light on a pivotal period in that relationship

*Europe* Brendan Simms, 2013-04-30 With verve and panache this magisterial history of Europe since 1453 shows how struggles over the heart of the continent have shaped the world we live in today The Economist Whoever controls the core of Europe controls the entire continent and whoever controls Europe can dominate the world Over the past five centuries a rotating cast of kings conquerors presidents and dictators have set their sights on the European heartland desperate to seize this pivotal area or at least prevent it from falling into the wrong hands From Charles V and Napoleon to Bismarck and Cromwell from Hitler and Stalin to Roosevelt and Gorbachev nearly all the key power players of modern history have staked their titanic visions on this vital swath of land In *Europe* prizewinning historian Brendan Simms presents an authoritative account of the past half millennium of European history demonstrating how the battle for mastery of the continent's center has shaped the modern world A bold and compelling work by a renowned scholar *Europe* integrates religion politics military strategy and international relations to show how history and Western civilization itself was forged in the crucible of Europe

*Continental Powers and Naval Development* Brian C. Chao, 2025-10-16 This book examines how

continental great powers have attempted to develop and wield strong navies since 1801 Continental Powers and Naval Development argues that a continental great power's ability to build and effectively use a strong navy is greatly affected by two factors a naval force design capable of executing national strategy strategy coherence and the deployment of that navy to places or for purposes that minimize the dominant naval power's threat perception threat diffusion Each factor is deceptively difficult for a continental great power to achieve but through an analysis of four historical case studies this book shows how both factors are vital not just for successful naval development but for keeping the peace among great powers Finally it highlights how states commonly thought of as unnatural naval powers can nonetheless achieve their political objectives at sea This book will be of much interest to students of naval history maritime strategy and International Relations

*The Enduring Enigma of Lev Tikhomirov* Glenn Cronin, 2025-10-15 The Enduring Enigma of Lev Tikhomirov presents the Western reader with the first comprehensive study of the life and ideas of a revolutionist turned monarchist one of the most intriguing and neglected thinkers in Russia in the late imperial period As a young man Tikhomirov was an ardent revolutionary comrade among others of Vera Figner and Sofia Perovskaya and he was four years imprisoned by the Tsarist police He later became the chief theoretician of the People's Will revolutionary group that assassinated Tsar Alexander II in 1881 following which he fled Russia to avoid the gallows and continued revolutionary activity as an emigré in Geneva and Paris Then came an abrupt reversion in his outlook He petitioned Alexander III to return to Russia received clemency in 1888 and afterward became a staunch defender of autocracy and the Orthodox faith The Enduring Enigma of Lev Tikhomirov examines Tikhomirov's chief works all of which came after his return to Russia Monarchical Statehood 1905 deals with the nature of power and the theory of the State recalling strongly the thought of Thomas Hobbes most notably his Leviathan of 1651 The Religious Philosophical Fundamentals of History 1913 1918 is Tikhomirov's justification of Christian revelation and a warning against the rise of atheism moral autonomy and the perils inherent in the elevation of man to the place of God Glenn Cronin's timely intellectual history looks in depth at Tikhomirov's exploration of the nature of good and evil and the rise of dark forces that led to the tragedy of 1917

*Missionaries, Rebellion and Proto-Nationalism* Geoffrey A. Oddie, 2014-03-05 The Rev James Long was one of the most remarkable Protestant missionaries working in India in the nineteenth century Sent to Calcutta at the age of 22 in 1840 he devoted his life to representing what he passionately believed were the best interests of the forgotten poor and oppressed among the Bengali population Long was a central figure in the indigo planting controversy of 1861 and suffered imprisonment as a result His memory is revered even today in modern India where his contribution to the development of Bengali vernacular education literature history and sociology is highly regarded Dr Oddie has produced the first full length biography of Rev Long examining his work and activities in the context of his own background philosophy and motivation as well as the political and cultural climate of the day This book will add significantly

to our knowledge of social movements in nineteenth century India and the colonial responses to them      **The Feminists** Richard J. Evans, 2013 Originally published in 1977 this book brings together what is known about liberal feminist and socialist movements for the emancipation of women all over the world in the nineteenth and early twentieth centuries It deals not only with Britain and the United States but also with Australia New Zealand France Germany Russia Austria Hungary and the Scandinavian countries The chapters trace the origins development and eventual collapse of these movements in relation to the changing social formations and political structures of Europe America and Australasia in the era of bourgeois liberalism The first part of the book discusses the origins of feminist movements and advances a model or ideal type description of their development The second part then takes a number of case studies of individual feminist movements to illustrate the main varieties of organised feminism and the differences from country to country The third part looks at socialist women's movements and includes a study of the Socialist Women's International A final part touches on the reason for the eclipse of women's emancipation movements in the half century following the end of the First World War before a general conclusion pulls together some of the arguments advanced in earlier chapters and attempts a comparison between these feminist movements of 1840 1920 and the Women's Liberation Movement      **Background Information on the Soviet Union** Kenneth R. Whiting, 1980      **The Wealth of States** John M. Hobson, 1997-03-06 John Hobson develops a new theory of international change using a sociological approach through a detailed examination of nineteenth century trade regimes and the efforts of the Great Powers to increase their military capabilities before the First World War through tariff protectionism His analysis reveals the importance of the state as an autonomous adaptive actor in domestic and international politics and economics which is not dependent upon dominant classes economic interest groups the world economy or the geopolitical system of states
